CASE NO.: 1:19-CV-7881-DLC

STIPULATION AND AGREEMENT OF SETTLEMENT

This Stipulation and Agreement of Settlement dated June 23, 2022 (“Stipulation”) is entered into between Court-appointed Lead Plaintiff IWA Forest Industry Pension Plan (“Lead Plaintiff”), on behalf of itself and the Settlement Class (as defined below in ¶ 1(oo)), and defendants Textron Inc. (“Textron” or the “Company”), Scott C. Donnelly, and Frank T. Connor (collectively, “Defendants” and together with Lead Plaintiff, the “Parties”), by and through their respective counsel, and embodies the terms and conditions of the settlement of the above-captioned action (“Action”).¹ Subject to the approval of the Court and the terms and conditions expressly provided herein, this Stipulation is intended to fully, finally and forever compromise, settle, release, resolve and dismiss with prejudice all claims asserted in the Action against Defendants.

WHEREAS:

A. On August 22, 2019, the initial complaint was filed in the Action. In accordance with the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4, as amended (“PSLRA”), notice to the public was issued stating the deadline by which putative class members could move the Court for appointment as lead plaintiff.

¹ All terms with initial capitalization not otherwise defined herein shall have the meanings ascribed to them in ¶ 1 herein.

B. By Order dated November 13, 2019, the Court appointed IWA Forest as Lead Plaintiff and Kaplan Fox & Kilsheimer LLP as Lead Counsel.

C. On December 24, 2019, Lead Plaintiff filed the Amended Consolidated Class Action Complaint for Violation of Federal Securities Laws, asserting claims under §§ 10(b) and 20(a) of the Securities Exchange Act of 1934 (“Exchange Act”), 15 U.S.C. §§ 78j(b) and 78t(a), and Rule 10b-5 promulgated thereunder, against Defendants.

D. On February 14, 2020, Lead Plaintiff filed the Second Amended Consolidated Class Action Complaint for Violation of Federal Securities Laws (the “Complaint”), asserting claims under §§ 10(b) and 20(a) of the Securities Exchange Act of 1934 (“Exchange Act”), 15 U.S.C. §§ 78j(b) and 78t(a), and Rule 10b-5 promulgated thereunder, against Defendants.

E. Defendants moved to dismiss the Complaint on March 6, 2020. On March 27, 2020, Lead Plaintiff filed its opposition to Defendants’ motion to dismiss, and on April 10, 2020, Defendants filed their reply in further support of their motion.

F. By Order dated July 20, 2020, the Court granted Defendants’ motion to dismiss the Complaint and entered a Judgment in favor of Defendants.

G. On August 18, 2020, Lead Plaintiff filed a Notice of Appeal of the Court’s July 20, 2020 Order and Judgment.

H. On November 30, 2020, Lead Plaintiff filed its brief in support of the appeal. On March 1, 2021, Defendants filed an opposition and on March 22, 2021 Lead Plaintiff filed its Reply.

I. On September 17, 2021, the United States Court of Appeals for the Second Circuit issued an Opinion Vacating and Remanding the Action as to the inventory related statements only, and affirming the Court’s dismissal of all remaining allegations.

J. On November 9, 2021, the Court entered a Pretrial Scheduling Order including a schedule for discovery and private mediation.

K. The Parties agreed to discuss a possible early resolution of the Action. To facilitate that discussion, Defendants and Lead Plaintiff produced, on an expedited basis, certain documents related to the claims and defenses. Additionally, the Parties scheduled a formal mediation to be facilitated by Greg Danilow, Esq. of Phillips ADR. In advance of the mediation, the Parties submitted detailed mediation statements. Although the Parties were unable to reach a resolution of the Action at the initial mediation on March 11, 2022, they continued their discussions with the assistance of Mr. Danilow, and after extensive additional negotiations and based on a mediator's recommendation, agreed to resolve the matter for the sum of \$7.9 million cash. On May 5, 2022, the Parties executed a binding term sheet setting forth the material terms of their agreement (the "Term Sheet").

L. This Stipulation (together with the exhibits hereto) reflects the final and binding agreement between the Parties and supersedes the Term Sheet in all respects.

M. Based upon their investigation, prosecution, and mediation of the case, Lead Plaintiff and Lead Counsel have concluded that the terms and conditions of this Stipulation are fair, reasonable and adequate to Lead Plaintiff and the Settlement Class, and in their best interests. Based on Lead Plaintiff's direct oversight of the prosecution of this matter and with the advice of his counsel, Lead Plaintiff has agreed to settle and release the Released Plaintiffs' Claims (as defined below in ¶ 1(ii)) as against Defendants pursuant to the terms and provisions of this Stipulation, after considering, among other things: (i) the financial benefit that the Settlement Class will receive under the proposed Settlement; and (ii) the significant risks and costs of continued litigation and trial.

N. The Defendants deny, and continue to deny, that they have committed any act or omission giving rise to any liability under the Exchange Act or Rule 10b-5 promulgated thereunder. Specifically, Defendants expressly have denied, and continue to deny, each and all of the claims alleged by Lead Plaintiff in the Action, including without limitation, any liability arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged, in the Action and maintain that their conduct was at all times proper and in compliance with applicable provisions of law. Defendants also have denied, and continue to deny, among other things, that they made any material misrepresentations or omissions in Textron's public filings, press releases or other public statements, that Lead Plaintiff or the Settlement Class have suffered any damages, that the price of Textron securities was artificially inflated by reasons of alleged misrepresentations, non-disclosures or otherwise, or that Lead Plaintiff or the Settlement Class were harmed by the conduct alleged in the Action or that they could have alleged as part of the Action. In addition, Defendants maintain that they have meritorious defenses to all claims alleged in the Action.

O. As set forth below, neither the Settlement nor any of the terms of this Stipulation shall constitute an admission or finding of any fault, liability, wrongdoing, or damages whatsoever or any infirmity in the defenses that Defendants have, or could have, asserted. Defendants have determined that it is desirable and beneficial to them that the Action be settled in the manner and upon the terms and conditions set forth in this Stipulation. Defendants' decision to settle the Action was based on the conclusion that further litigation would be protracted and expensive, with the uncertainty and risks inherent in any litigation and the determination that it is desirable and beneficial to settle the Action in the manner and upon the terms and conditions set forth in this Stipulation and to put the Released Claims to rest finally and forever, without in any way admitting

any wrongdoing, fault, liability or damages to Lead Plaintiff or the Settlement Class. Similarly, this Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of Lead Plaintiff of any infirmity in any of the claims asserted in the Action, or an admission or concession that any of Defendants' defenses to liability had any merit. Each of the Parties recognizes and acknowledges, however, that the Action has been initiated, filed, and prosecuted by Lead Plaintiff in good faith and defended by Defendants in good faith, and that the Action is being voluntarily settled with the advice of counsel.

NOW THEREFORE, it is hereby STIPULATED AND AGREED, by and among Lead Plaintiff (individually and on behalf of all members of the Settlement Class) and Defendants, by and through their respective undersigned attorneys and subject to the approval of the Court pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, that, in consideration of the benefits flowing to the Parties from the Settlement, all Released Plaintiffs' Claims as against the Defendant Releasees and all Released Defendants' Claims as against the Plaintiff Releasees shall be settled and released, upon and subject to the terms and conditions set forth below.

RELEASE OF CLAIMS

4. The obligations incurred pursuant to this Stipulation are in consideration of: (i) the full and final disposition of the Action as against Defendants; and (ii) the Releases provided for herein.

5. Pursuant to the Judgment, or the Alternative Judgment, if applicable, without further action by anyone, upon the Effective Date of the Settlement, Lead Plaintiff and each of the other Settlement Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors and assigns in their capacities as such, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived, discharged and dismissed each and every Released Plaintiffs' Claim against the Defendant Releasees, and shall forever be barred and enjoined from commencing, instituting, intervening in or participating in, prosecuting or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal, or administrative forum, or other forum of any kind or character (whether brought directly, in a representative capacity, derivatively, or in any other capacity), that asserts any or all of the Released Plaintiffs' Claims against any of the Defendant Releasees.

relinquished, waived and discharged each and every Released Defendants' Claim against the Plaintiff Releasees, and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants' Claims against any of the Plaintiff Releasees.

7. Notwithstanding ¶¶ 4-6 above, nothing in the Judgment, or the Alternative Judgment, if applicable, shall bar any action by any of the Parties to enforce or effectuate the terms of this Stipulation or the Judgment, or Alternative Judgment, if applicable.

THE SETTLEMENT CONSIDERATION

8. In consideration of the full and final settlement of the claims asserted in the Action against Defendants and the Releases specified in ¶¶ 4-6 above, Defendants shall provide or cause to be provided to the Settlement Class total consideration of Seven Million Nine Hundred Thousand Dollars (\$7,900,000.00). Defendants shall cause the Settlement Amount to be deposited into the Escrow Account within thirty (30) business days following the later of the Court's preliminary approval of this Settlement and receipt from Lead Counsel of all information necessary to effectuate a transfer of funds to the Escrow Account, including the bank name and ABA routing number, account number, and a signed Form W-9 reflecting the taxpayer identification for the Settlement Fund.

USE OF SETTLEMENT FUND

9. The Settlement Fund shall be used to pay: (a) any Taxes and Tax Expenses; (b) any Notice and Administration Costs; (c) any Litigation Expenses awarded by the Court; and (d) any attorneys' fees awarded by the Court. The balance remaining in the Settlement Fund, that is, the Net Settlement Fund, shall be distributed to Authorized Claimants as provided in ¶¶ 18-29 of this Stipulation, or as otherwise ordered by the Court.

10. Except as provided herein or pursuant to orders of the Court, the Net Settlement Fund shall remain in the Escrow Account prior to the Effective Date. All funds held by the Escrow Agent shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall be distributed or returned pursuant to the terms of this Stipulation or further order of the Court. At the written direction of Lead Counsel, the Escrow Agent shall invest any funds in the Escrow Account exclusively in instruments or accounts backed by the full faith and credit of the United States Government or fully insured by the United States Government or an agency thereof, including a United States Treasury Fund or a bank account that is either (a) fully insured by the Federal Deposit Insurance Corporation (“FDIC”) or (b) secured by instruments backed by the full faith and credit of the United States Government. The Escrow Agent shall reinvest the proceeds of these instruments or accounts as they mature in similar instruments or accounts at their then-current market rates.

11. The Escrow Agent shall not disburse the Settlement Fund except as provided in this Stipulation or as otherwise ordered by the Court. The Parties agree that the Settlement Fund is intended to be a Qualified Settlement Fund within the meaning of Treasury Regulation § 1.468B-1 and that Lead Counsel, as administrator of the Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall be solely responsible for filing or causing to be filed all informational and other tax returns as may be necessary or appropriate (including, without limitation, the returns described in Treasury Regulation § 1.468B-2(k)) for the Settlement Fund. Lead Counsel shall also be responsible for causing payment to be made from the Settlement Fund of any Taxes or Tax Expenses owed with respect to the Settlement Fund. Upon written request, the Company will provide to Lead Counsel the statement described in Treasury Regulation § 1.468B-3(e). Lead Counsel, as administrator of the Settlement Fund within the meaning of

Treasury Regulation § 1.468B-2(k)(3), shall timely make such elections as are necessary or advisable to carry out this paragraph, including, as necessary, making a “relation back election,” as described in Treasury Regulation § 1.468B-1(j), to cause the Qualified Settlement Fund to come into existence at the earliest allowable date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith.

12. All Taxes and Tax Expenses shall be paid out of the Settlement Fund. Taxes and Tax Expenses shall be timely paid by the Escrow Agent pursuant to the disbursement instructions to be set forth in the Escrow Agreement, and without further order of the Court, and Lead Counsel shall be authorized (notwithstanding anything herein to the contrary) to withhold from distribution to Authorized Claimants any funds necessary to pay such amounts, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. §1.468B-2(l)(2)). The Parties hereto agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of ¶¶ 11 and 12 of this Stipulation.

13. The Settlement is not a claims-made settlement. Upon the occurrence of the Effective Date, no Defendant, Defendant Releasee, or any other person or entity who or which paid any portion of the Settlement Amount shall have any right to the return of the Settlement Fund or any portion thereof for any reason whatsoever, including without limitation, the number of Claim Forms submitted, the collective amount of Recognized Claims of Authorized Claimants, the percentage of recovery of losses, or the amounts to be paid to Authorized Claimants from the Net Settlement Fund.

14. Prior to the Effective Date of the Settlement, Lead Counsel may pay from the Escrow Account, without further approval from Defendants or further order of the Court, all Notice

and Administration Costs actually incurred and paid or payable, up to two hundred thousand dollars (\$200,000). Such costs and expenses shall include, without limitation, the actual costs of printing and mailing the Notice and Claim Form, publishing the Summary Notice, reimbursements to nominee owners for forwarding the Notice and Claim Form to their beneficial owners, the administrative expenses incurred and fees charged by the Claims Administrator in connection with providing notice, administering the Settlement (including processing submitted Claims), and the fees, if any, of the Escrow Agent. In the event that the Settlement is terminated pursuant to the terms of this Stipulation, all Notice and Administration Costs paid or incurred, including any related fees, up to two hundred thousand dollars (\$200,000), shall not be returned or repaid to Defendants, any of the other Defendant Releasees or any other person or entity who or which paid any portion of the Settlement Amount.

ATTORNEYS' FEES AND LITIGATION EXPENSES

15. Lead Counsel will apply to the Court for an award of attorneys' fees to Plaintiff's Counsel to be paid from (and out of) the Settlement Fund. Lead Counsel also will apply to the Court for reimbursement of Plaintiff's Counsel's Litigation Expenses, which may include a request for reimbursement of Lead Plaintiff's costs and expenses directly related to its representation of the Settlement Class, to be paid from (and out of) the Settlement Fund. Lead Counsel's application for an award of attorneys' fees and/or Litigation Expenses is not the subject of any agreement between Defendants and Lead Plaintiff other than what is set forth in this Stipulation.

16. The portion of any attorneys' fees and Litigation Expenses awarded by the Court that are to be paid to Plaintiff's Counsel from (and out of) the Settlement Fund shall be paid immediately upon the Court's order approving the Settlement, notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the

Settlement or any part thereof, subject to Plaintiff's Counsel's obligation to make appropriate refunds or repayments to the Settlement Fund, plus accrued interest at the same net rate as is earned by the Settlement Fund, if the Settlement is terminated pursuant to the terms of this Stipulation or if, as a result of any appeal or further proceedings on remand, the award of attorneys' fees and/or Litigation Expenses is reduced or reversed and such order reducing or reversing the award has become Final. Plaintiff's Counsel shall make the appropriate refund or repayment in full no later than thirty (30) calendar days after such termination.

17. The procedure for, the allowance or disallowance of, and the amount of any attorneys' fees and/or Litigation Expenses are not necessary terms of this Stipulation, are not conditions of the Settlement embodied herein, and shall be considered separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement. Neither Lead Plaintiff nor Lead Counsel may cancel or terminate the Settlement based on this Court's or any appellate court's ruling with respect to attorneys' fees and/or Litigation Expenses, and any appeal from any order awarding attorneys' fees and/or Litigation Expenses or any reversal or modification of any such order shall not affect or delay the finality of the Judgment.

NOTICE AND SETTLEMENT ADMINISTRATION

18. As part of the Preliminary Approval Order, Lead Plaintiff shall seek appointment of the Claims Administrator. The Claims Administrator shall administer the Settlement, including but not limited to the process of receiving, reviewing and approving or denying Claims, under Lead Counsel's supervision and subject to the jurisdiction of the Court. Other than Defendants' obligations pursuant to ¶¶ 8 and 19, none of Defendants, nor any of the other Defendant Releasees, shall have any involvement in or any responsibility, authority or liability whatsoever for the selection of the Claims Administrator, the Plan of Allocation, the administration of the Settlement,

the Claims process, or disbursement of the Net Settlement Fund, and shall have no liability whatsoever to any person or entity, including, but not limited to, Lead Plaintiff, any other Settlement Class Members or Plaintiff's Counsel in connection with the foregoing. Defendants' Counsel shall cooperate in the administration of the Settlement to the extent reasonably necessary to effectuate its terms.

19. In accordance with the terms of the Preliminary Approval Order to be entered by the Court, Lead Counsel shall cause the Claims Administrator to mail, or email, the Notice and Claim Form to those members of the Settlement Class as may be identified through reasonable effort. Lead Counsel shall also cause the Claims Administrator to have the Summary Notice published in accordance with the terms of the Preliminary Approval Order to be entered by the Court. For the purposes of identifying and providing notice to the Settlement Class, within fourteen (14) days after the Court's entry of the Preliminary Approval Order, the Company shall provide to Lead Counsel or the Claims Administrator, at no cost to the Settlement Fund, Lead Plaintiff or the Settlement Class, Plaintiff's Counsel or the Claims Administrator, shareholder lists of purchasers of record (consisting of names and addresses, as well as e-mail addresses if available) during the Class Period in electronic format, such as Excel.

20. The Claims Administrator shall receive Claims and determine first, whether the Claim is a valid Claim, in whole or in part, and second, each Authorized Claimant's *pro rata* share of the Net Settlement Fund as calculated pursuant to the proposed Plan of Allocation set forth in the Notice attached hereto as Exhibit A-(i) (or such other plan of allocation as the Court approves).

21. The Plan of Allocation proposed in the Notice is not a necessary term of the Settlement or of this Stipulation, and it is not a condition of the Settlement or of this Stipulation that any particular plan of allocation be approved by the Court. Lead Plaintiff and Lead Counsel

may not cancel or terminate the Settlement (or this Stipulation) based on this Court's or any appellate court's ruling with respect to the Plan of Allocation or any other plan of allocation approved in this Action. Defendants and the other Defendant Releasees shall not object in any way to the Plan of Allocation or any other plan of allocation in this Action. No Defendant, nor any other Defendant Releasees, shall have any involvement with or liability, obligation or responsibility whatsoever for the application of the Court-approved plan of allocation.

22. Any Settlement Class Member who does not submit a valid Claim Form will not be entitled to receive any distribution from the Net Settlement Fund, but will otherwise be bound by all of the terms of this Stipulation and Settlement, including the terms of the Judgment or, the Alternative Judgment, if applicable, to be entered in the Action and the Releases provided for herein and therein, and will be permanently barred and enjoined from bringing any action, claim, or other proceeding of any kind against the Defendant Releasees with respect to the Released Plaintiffs' Claims in the event that the Effective Date occurs with respect to the Settlement.

23. Lead Counsel shall be responsible for supervising the administration of the Settlement and the disbursement of the Net Settlement Fund subject to Court approval. No Defendant, or any other Defendant Releasees, shall be permitted to review, contest or object to any Claim, or any decision of the Claims Administrator or Lead Counsel with respect to accepting or rejecting any Claim, nor shall any Defendant Releasee have any responsibility for, interest in, or liability for any decision. Lead Counsel shall have the right, but not the obligation, to waive what it deems to be formal or technical defects in any Claims submitted in the interests of achieving substantial justice.

24. For purposes of determining the extent, if any, to which a Settlement Class Member shall be entitled to be treated as an Authorized Claimant, the following conditions shall apply:

(a) Each Claimant shall be required to submit a Claim in paper form, substantially in the form attached hereto as Exhibit A-(ii), or in electronic form, in accordance with the instructions for the submission of such Claims, and supported by such documents as are designated therein, including proof of the Claimant's claimed loss, or such other documents or proof as the Claims Administrator or Lead Counsel, in its discretion, may deem acceptable;

(b) All Claims must be submitted by the date set by the Court in the Preliminary Approval Order and specified in the Notice, unless extended by the Court. Any Settlement Class Member who fails to submit a Claim by such date shall be forever barred from receiving any distribution from the Net Settlement Fund or payment pursuant to this Stipulation (unless by Order of the Court such Settlement Class Member's Claim Form is accepted), but shall in all other respects be bound by all of the terms of this Stipulation and the Settlement, including the terms of the Judgment or Alternative Judgment, if applicable, and the Releases provided for herein and therein, and will be permanently barred and enjoined from bringing any action, claim or other proceeding of any kind against any Defendants' Releasees with respect to any Released Plaintiffs' Claim. A Claim Form shall be deemed to be submitted when postmarked, if received with a postmark indicated on the envelope and if mailed by first-class mail and addressed in accordance with the instructions thereon. In all other cases, the Claim Form shall be deemed to have been submitted on the date when actually received by the Claims Administrator;

(c) Each Claim shall be submitted to and reviewed by the Claims Administrator who shall determine in accordance with this Stipulation and the plan of allocation the extent, if any, to which each Claim shall be allowed, subject to review by the Court pursuant to subparagraph (e) below as necessary;

(d) Claims that do not meet the submission requirements may be rejected in whole or in part by the Claims Administrator. Prior to rejecting a Claim in whole or in part, the Claims Administrator shall communicate with the Claimant in writing, to give the Claimant the chance to remedy any curable deficiencies in the Claim Form submitted. The Claims Administrator shall notify, in a timely fashion and in writing, all Claimants whose Claim the Claims Administrator proposes to reject in whole or in part, setting forth the reasons therefor, and shall indicate in such notice that the Claimant whose Claim is to be rejected has the right to review by the Court if the Claimant so desires and complies with the requirements of subparagraph (e) below; and

(e) If any Claimant whose Claim has been rejected in whole or in part desires to contest such rejection, the Claimant must, within twenty (20) days after the date of mailing of the notice required in subparagraph (d) above, serve upon the Claims Administrator a notice and statement of reasons indicating the Claimant's grounds for contesting the rejection along with any supporting documentation, and requesting a review thereof by the Court. If a dispute concerning a Claim cannot be otherwise resolved, Lead Counsel shall thereafter present the request for review to the Court.

25. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the Claimant's Claim, and the Claim will be subject to investigation and discovery under the Federal Rules of Civil Procedure, provided, however, that such investigation and discovery shall be limited to that Claimant's status as a Settlement Class Member and the validity and amount of the Claimant's Claim. No discovery shall be allowed on the merits of this Action or of the Settlement in connection with the processing of Claims.

26. Lead Counsel will apply to the Court for a Class Distribution Order: (a) approving the Claims Administrator's administrative determinations concerning the acceptance and rejection of the Claims submitted; (b) approving payment of any administration fees and expenses associated with the administration of the Settlement from the Escrow Account; and (c) if the Effective Date has occurred, directing payment of the Net Settlement Fund to Authorized Claimants from the Escrow Account.

27. Payment pursuant to the Class Distribution Order shall be final and conclusive against all Settlement Class Members. All Settlement Class Members whose Claims are not approved by the Court for payment shall be barred from participating in distributions from the Net Settlement Fund, but otherwise shall be bound by all of the terms of this Stipulation and the Settlement, including the terms of the Judgment or Alternative Judgment, if applicable, to be entered in this Action and the Releases provided for herein and therein, and will be permanently barred and enjoined from bringing any action against any and all Defendant Releasees with respect to any and all of the Released Plaintiffs' Claims.

28. No person or entity shall have any claim against Lead Plaintiff, Plaintiff's Counsel, the Claims Administrator or any other agent designated by Lead Counsel, or the Defendant Releasees and their respective counsel, based on any investments, costs, expenses, administration, allocations, calculations, payments, the withholding of Taxes (including interest and penalties) owed by the Settlement Fund (or any losses incurred in connection with Taxes owed by the Settlement Fund) or distributions that are made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or any order of the Court.

29. All proceedings with respect to the administration, processing and determination of Claims and the determination of all controversies relating to Claims, including disputed questions

of law and fact with respect to the validity of Claims, shall be subject to the jurisdiction of the Court. All Settlement Class Members, other Claimants, and the Parties to this Settlement expressly waive trial by jury (to the extent any such right may exist) and any right of appeal or review with respect to such determinations.

TERMS OF THE JUDGMENT

30. If the Settlement contemplated by this Stipulation is approved by the Court, Lead Counsel and Defendants' Counsel shall request that the Court enter a Judgment, substantially in the form attached hereto as Exhibit B, including the dismissal with prejudice of all of the claims asserted against Defendants in this Action.

**CONDITIONS OF SETTLEMENT AND EFFECT OF
DISAPPROVAL, CANCELLATION OR TERMINATION**

31. The Effective Date of the Settlement shall be the first date on which all of the following conditions have occurred:

(a) the Court has entered the Preliminary Approval Order, substantially in the form set forth in Exhibit A attached hereto, as required by ¶ 2 above;

(b) the Settlement Amount has been deposited into the Escrow Account in accordance with the provisions of ¶ 8 above;

(c) Defendants have not exercised their option to terminate the Settlement pursuant to the provisions of this Stipulation;

(d) Lead Plaintiff has not exercised its option to terminate the Settlement pursuant to the provisions of this Stipulation;

(e) the Court has entered Judgment, substantially in the form proposed by the Parties, following notice to the Settlement Class and a hearing, as prescribed by Rule 23 of the Federal Rules of Civil Procedure; and

(f) the Judgment has become Final and no longer subject to appeal.

32. Upon the occurrence of all of the events referenced in ¶ 31 above, any and all remaining interest or right of Defendants or any other Defendant Releasee in or to the Settlement Fund, if any, shall be absolutely and forever extinguished and the Releases herein shall be effective.

33. If (i) any Defendant exercises the right to terminate the Settlement as provided in this Stipulation; (ii) Lead Plaintiff exercises his right to terminate the Settlement as provided in this Stipulation; (iii) the Court disapproves the Settlement; or (iv) the Effective Date as to the Settlement otherwise fails to occur, then:

(a) the Settlement (including, without limitation, the Releases provided under the Settlement) shall be deemed null and void;

(b) Lead Plaintiff and Defendants shall revert to their respective positions in the Action as of the date immediately prior to the execution of the Term Sheet on May 5, 2022;

(c) the terms and provisions of this Stipulation, with the exception of this ¶ 33 and ¶¶ 14, 16, 37 and 57, shall have no further force and effect with respect to the Parties and shall not be used in the Action or in any other proceeding for any purpose, and any Judgment, or Alternative Judgment, if applicable, or order entered by the Court in accordance with the terms of this Stipulation shall be treated as vacated, *nunc pro tunc*;

(d) within five (5) business days after joint written notification of termination is sent by Defendants' Counsel and Lead Counsel to the Escrow Agent, the Settlement Fund (including accrued interest thereon and any funds received by Lead Counsel consistent with ¶ 16 above), less any Notice and Administration Costs actually incurred, paid or payable up to two hundred thousand dollars (\$200,000), and less any Taxes and Tax Expenses paid, due or owing

shall be returned by the Escrow Agent to the parties who contributed to the payment of the Settlement Amount as instructed by Defendants' Counsel;

(e) counsel for the Parties will negotiate in good faith a proposed new scheduling order for the Action; and

(f) attorneys' fees and Litigation Expenses will be reimbursed by Plaintiffs' Counsel as provided in ¶ 16 of this Stipulation.

34. It is further stipulated and agreed that Lead Plaintiff, on the one hand, and Defendants (provided Defendants unanimously agree amongst themselves), on the other hand, shall each have the right to terminate the Settlement and this Stipulation, by providing written notice of their election to do so ("Termination Notice") to the other Parties to this Stipulation within thirty (30) days of: (a) the Court's final refusal to enter the Preliminary Approval Order in any material respect; (b) the Court's final refusal to approve the Settlement or any material part thereof; (c) the Court's final refusal to enter the Judgment in any material respect as to the Settlement; (d) the date upon which the Judgment is modified or reversed in any material respect by the United States Court of Appeals for the Second Circuit or the United States Supreme Court; (e) the date upon which an Alternative Judgment is modified or reversed in any material respect by the United States Court of Appeals for the Second Circuit or the United States Supreme Court or (f) as otherwise set forth in the Parties' supplemental agreement, and the provisions of ¶ 33 above shall apply. However, any decision or proceeding, whether in this Court or any appellate court, with respect to an application for attorneys' fees or reimbursement of Litigation Expenses or with respect to any plan of allocation shall not be considered material to the Settlement, shall not affect the finality of any Judgment or Alternative Judgment, if applicable, and shall not be grounds for termination of the Settlement.

35. In addition to the grounds set forth in ¶ 34 above, Defendants, provided they unanimously agree amongst themselves, shall have the unilateral right to terminate the Settlement in the event that Settlement Class Members timely and validly requesting exclusion from the Settlement Class meet the conditions set forth in the confidential Supplemental Agreement (the “Supplemental Agreement”), in accordance with the terms of that agreement. The Supplemental Agreement, which is being executed concurrently herewith, shall not be filed with the Court and its terms shall not be disclosed in any other manner (other than the statements herein and in the Notice, to the extent necessary, or as otherwise provided in the Supplemental Agreement) unless and until the Court otherwise directs, or a dispute arises between Lead Plaintiff and Defendants concerning its interpretation or application, in which event the Parties shall submit the Supplemental Agreement to the Court *in camera* and request that the Court afford it confidential treatment.

36. In addition to the grounds set forth in ¶¶ 34-35 above, Lead Plaintiff shall have the unilateral right to terminate the Settlement if the Settlement Amount is not paid or delivered in accordance with ¶ 8 above and the failure is not cured within fourteen (14) calendar days of Lead Plaintiff’s written notice of its election to terminate.

MISCELLANEOUS PROVISIONS

37. All of the exhibits attached hereto are hereby incorporated by reference as though fully set forth herein. Notwithstanding the foregoing, in the event that there exists a conflict or inconsistency between the terms of this Stipulation and the terms of any exhibit attached hereto, the terms of the Stipulation shall prevail.

38. Pursuant to the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715(b)-(c), no later than ten (10) calendar days after the Stipulation is filed with the Court, Defendants, at their

own cost and expense, shall serve proper notice of the proposed Settlement upon those who are entitled to notice pursuant to CAFA.

39. The Parties intend this Stipulation and the Settlement to be a final and complete resolution of all disputes asserted or which could be asserted by Lead Plaintiff and any Settlement Class Members against the Defendants' Releasees with respect to the Released Plaintiffs' Claims. Accordingly, Lead Plaintiff and its counsel and Defendants and their counsel agree not to assert in any forum that this Action was brought by Lead Plaintiff or defended by Defendants in bad faith or without a reasonable basis. No party shall assert any claims of any violation of Rule 11 of the Federal Rules of Civil Procedure, or of 28 U.S.C. Section 1927, or otherwise make any accusation of wrongful or actionable conduct by any other Party, relating to the institution, prosecution, defense, or settlement of this Action. The Parties agree that the amounts paid and the other terms of the Settlement were negotiated at arm's-length and in good faith by the Parties through a mediation process supervised and conducted by Greg Danilow, Esq. of Phillips ADR, and reflect the Settlement that was reached voluntarily after extensive negotiations and consultation with experienced legal counsel, who were fully competent to assess the strengths and weaknesses of their respective clients' claims or defenses.

40. The terms of the Settlement, as reflected in this Stipulation, may not be modified or amended, nor may any of its provisions be waived except by a writing signed on behalf of both Lead Plaintiff and Defendants (or their successors-in-interest).

41. Except as otherwise provided for herein, all agreements made and orders entered during the course of the Action relating to the confidentiality of information shall survive this Stipulation.

42. This Stipulation supersedes the Term Sheet dated May 5, 2022.

43. The headings herein are used for the purpose of convenience only and are not meant to have legal effect.

44. Pending approval of the Court of this Stipulation and its exhibits, all proceedings in this Action shall be stayed and all members of the Settlement Class shall be barred and enjoined from prosecuting any of the Released Plaintiffs' Claims against any of the Defendant Releasees.

45. The administration and consummation of the Settlement as embodied in this Stipulation shall be under the authority of the Court, and the Court shall retain jurisdiction for the purpose of entering orders providing for awards of attorneys' fees and Litigation Expenses to Lead Counsel and enforcing the terms of this Stipulation, including the Plan of Allocation (or such other plan of allocation as may be approved by the Court) and the distribution of the Net Settlement Fund to Settlement Class Members.

46. The waiver by one Party of any breach of this Stipulation by any other Party shall not be deemed a waiver of any other prior or subsequent breach of this Stipulation.

47. This Stipulation and its exhibits constitute the entire agreement among Lead Plaintiff and Defendants concerning the Settlement. All Parties acknowledge that no other agreements, representations, warranties, or inducements have been made by any party hereto concerning this Stipulation or its exhibits other than those contained and memorialized in such documents.

48. This Stipulation may be executed in one or more counterparts, including by signature transmitted via facsimile, or by a .pdf/.tif image of the signature transmitted via email. All executed counterparts and each of them shall be deemed to be one and the same instrument.

49. This Stipulation shall be binding upon and inure to the benefit of the successors and assigns of the Parties, including any and all Releasees and any corporation, partnership, or other entity into or with which any party hereto may merge, consolidate or reorganize.

50. The construction, interpretation, operation, effect and validity of this Stipulation, the Supplemental Agreement and all documents necessary to effectuate the Settlement shall be governed by the internal laws of the State of New York without regard to conflicts of laws, except to the extent that federal law requires that federal law govern.

51. Any action arising under or to enforce this Stipulation or any portion thereof, shall be commenced and maintained only in the Court.

52. This Stipulation shall not be construed more strictly against one Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Parties, it being recognized that it is the result of arm's-length negotiations between the Parties and all Parties have contributed substantially and materially to the preparation of this Stipulation.

53. All counsel and any other person executing this Stipulation and any of the exhibits hereto, or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

54. Lead Counsel and Defendants' Counsel agree to cooperate fully with one another in seeking Court approval of the Preliminary Approval Order and the Settlement, as embodied in this Stipulation, and to use best efforts to promptly agree upon and execute all such other documentation as may be reasonably required to obtain final approval by the Court of the Settlement.

55. If any Party is required to give notice to another party under this Stipulation, such notice shall be in writing and shall be deemed to have been duly given upon receipt of hand delivery or email transmission, with confirmation of receipt. Notice shall be provided as follows:

56. Except as otherwise provided herein, each party shall bear its own costs.

57. All agreements made and orders entered during the course of this Action relating to the confidentiality of information shall survive this Settlement.

58. No opinion or advice concerning the tax consequences of the proposed Settlement to individual Settlement Class Members is being given or will be given by the Parties or their counsel; nor is any representation or warranty in this regard made by virtue of this Stipulation. Each Settlement Class Member's tax obligations, and the determination thereof, are the sole responsibility of the Settlement Class Member, and it is understood that the tax consequences may vary depending on the particular circumstances of each individual Settlement Class Member.

59. Each Party agrees to return or destroy all documents or electronic data in its or its representatives' possession that the opposing Party produced to it in this litigation in accordance with the Protective Order entered in this action. Each Party shall provide written confirmation of full compliance with the Protective Order within 60 days of the entry of final approval, which the Parties agree shall represent "the conclusion of this Action" under the Protective Order. (*See* Dkt. 63.) The Parties reserve all rights, and release none in this Settlement Agreement, regarding any subsequent disclosure of their confidential information by the opposing Party or its representatives.

60. At all times prior to and following the filing of this Settlement Agreement with the Court, all of the Parties, including all of their respective attorneys and representatives, and anyone subject to their control, shall be prohibited from disparaging any other Party in any form or through any medium, and shall be prohibited from issuing any press releases and from making public comments in any form or through any medium regarding the Settlement Agreement and/or the claims asserted in this litigation. Notwithstanding the foregoing, this Paragraph shall not apply to Lead Plaintiff's motions for preliminary and final approval of the settlement, including the related notices to Class members, all of which will include statements about the Settlement Agreement, that Lead Plaintiff believes its claims have merit, and that Defendants believe the claims lack merit and deny any wrongdoing or liability. Nor shall anything in the foregoing preclude Defendants from making any disclosures regarding the settlement that may be required by law.

IN WITNESS WHEREOF, the Parties hereto have caused this Stipulation to be executed, by their duly authorized attorneys, as of June 23, 2022.

Counsel for Defendants

EXHIBIT A

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK**

IN RE TEXTRON INC. SECURITIES
LITIGATION

Case No.: 1:19-CV-7881-DLC

**[PROPOSED] ORDER PRELIMINARILY APPROVING SETTLEMENT AND
PROVIDING FOR NOTICE**

WHEREAS, this consolidated putative class action (the “Action”) comes before the Court on Lead Plaintiff’s Motion for Preliminary Approval of Settlement (“Motion”) and on the Stipulation and Agreement of Settlement dated June 23, 2022 (“Stipulation”) entered into by Lead Plaintiff IWA Forest Industry Pension Plan (“Lead Plaintiff”), and defendants Textron Inc. (“Textron” or the “Company”), Scott C. Donnelly, and Frank T. Connor (collectively, “Defendants” and together with Lead Plaintiff, the “Parties”), by and through their respective counsel;

WHEREAS, the Stipulation sets forth the terms and conditions for the proposed settlement of the Action, and is subject to review under Rule 23 of the Federal Rules of Civil Procedure (“Rule 23”); and

WHEREAS, the Court is familiar with and has reviewed the record in the Action and has reviewed the Motion and the Stipulation, together with the exhibits attached thereto and incorporated by reference therein, and found good cause for entering the following Order;

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. This order (the “Preliminary Approval Order”) hereby incorporates by reference the definitions in the Stipulation and all terms used herein shall have the same meanings as set forth in the Stipulation.

2. The Court preliminarily certifies, solely for purposes of effectuating the Settlement, pursuant to Rule 23, a class consisting of all persons or entities who purchased or otherwise acquired Textron common stock on the NYSE or other U.S. exchanges or in a U.S. transaction between January 31, 2018 and December 6, 2018, inclusive. Excluded from the Settlement Class are: (i) Defendants; (ii) members of the immediate family of any Defendant who is an individual; (iii) any person who was an officer or director of Textron during the Class Period; (iv) any firm, trust, corporation, or other entity in which any Defendant has or had a controlling interest; (v) Textron’s employee retirement and benefit plan(s) and their participants or beneficiaries, to the extent they made purchases through such plan(s); and (vi) the legal representatives, affiliates, heirs, successors-in-interest, or assigns of any such excluded person. Also excluded from the Settlement Class are those persons who timely and validly request exclusion from the Settlement Class pursuant to the Notice of (i) Pendency of Class Action and Proposed Settlement; (ii) Motion for an Award of Attorneys’ Fees and Reimbursement of Litigation Expenses; and (iii) Settlement Fairness Hearing (the “Notice”).

3. Pursuant to Rule 23 and for purposes of settlement only, the Court preliminarily certifies Lead Plaintiff as Class Representative for the Settlement Class and appoints Kaplan Fox & Kilsheimer LLP as Class Counsel for the Settlement Class (“Class Counsel”). Class Counsel is authorized to act on behalf of the Settlement Class with respect to all acts required by, or which

may be undertaken pursuant to, the Stipulation or such other acts that are reasonably necessary to consummate the proposed Settlement set forth in the Stipulation.

4. With respect to the Settlement Class, the Court preliminarily finds, solely for purposes of effectuating the Settlement, that the prerequisites for a class action under Rules 23(a) and (b)(3) have been satisfied. The members of the Settlement Class are so numerous that joinder of all Settlement Class Members in the class action is impracticable and there are questions of law and fact common to the Settlement Class which predominate over any individual questions. The claims of Lead Plaintiff are typical of the claims of the Settlement Class and Lead Plaintiff and its counsel have fairly and adequately represented and protected the interests of all of the Settlement Class Members. A class action is also superior to other available methods for the fair and efficient adjudication of the controversy, considering: (a) the interests of the members of the Settlement Class in individually controlling the prosecution of the separate actions; (b) the extent and nature of any litigation concerning the controversy already commenced by members of the Settlement Class; (c) the desirability or undesirability of continuing the litigation of these claims in this particular forum; and (d) the difficulties likely to be encountered in the management of a class action.

5. The Court preliminarily approves: (i) the Settlement of the Action as set forth in the Stipulation, including the releases contained therein, having found that the Parties have shown the Court that it will likely be able to approve the proposed Settlement under Federal Rule of Civil Procedure 23(e)(2), and (ii) the proposed Plan of Allocation described in the Notice, subject to the right of any Settlement Class Member to challenge the fairness, reasonableness, and adequacy of the Settlement, the Stipulation or the proposed Plan of Allocation, and to show cause, if any exists,

why a final judgment dismissing the Action based on the Stipulation should not be ordered herein after due and adequate notice to the Settlement Class has been given in conformity with this Order.

6. Class Counsel is hereby authorized to retain A.B. Data, Ltd. as the Claims Administrator in connection with the Settlement to supervise and administer the notice and claims procedures as well as the processing of claims as more fully set forth below:

a. No later than thirty (30) calendar days after entry of this Preliminary Approval Order, the Claims Administrator shall cause a copy of the Notice and Proof of Claim and Release form (“Claim Form”), substantially in the forms attached hereto as Exhibits A-(i) and A-(ii), respectively, to be mailed by first class mail, postage prepaid, to all members of the Settlement Class who may be identified through reasonable effort, including through the cooperation of Textron and/or its transfer agents to provide security holder lists as set forth in the Stipulation (the “Notice Date”);

b. Class Counsel shall cause a summary notice (the “Summary Notice”), substantially in the form attached hereto as Exhibit A-(iii), to be published once in the national edition of *Investor’s Business Daily* and over the *PR Newswire* no later than ten (10) calendar days after the Notice Date;

c. Class Counsel shall serve on Defendants’ Counsel and file with the Court proof by affidavit or declaration of mailing and publication not later than seven (7) calendar days before the Final Approval Hearing.

d. Class Counsel shall cause the Notice, the Summary Notice, and the Claim Form to be placed on a website developed for the Settlement and maintained by the Claims Administrator, on or before the Notice Date.

7. Not later than ten (10) calendar days after the submission of the Stipulation to the Court, Defendants shall serve notice on the State and Federal officials as required by 28 U.S.C. §1715(b) (“CAFA Notice”). Not later than thirty-five (35) calendar days before the Settlement Fairness Hearing, Defendants shall file with the Court an affidavit or declaration showing timely compliance with this CAFA Notice directive.

8. The Court hereby approves the form of Notice and Summary Notice (together, the “Notices”) and the Claim Form, and finds that the procedures established for publication, mailing and distribution of such Notices substantially in the manner and form set forth in paragraph 6 of this Preliminary Approval Order meet the requirements of Rule 23, the Constitution of the United States, and the Securities Exchange Act of 1934, 15 U.S.C. §§ 78 *et seq.*, as amended by the Private Securities Litigation Reform Act of 1995, and shall constitute the best notice practicable under the circumstances and shall constitute due and sufficient notice to all Settlement Class Members.

9. The Claims Administrator shall use reasonable efforts to give notice to brokers and other nominees who purchased the publicly-traded common stock of Textron on the NYSE, on other U.S. exchanges or in a U.S. transaction for the benefit of another person during the Class Period. Those brokers and other nominees are directed to either: (i) send the Notice and Claim Form to all such beneficial owners, postmarked within ten (10) calendar days of receipt of the Notice; or (ii) send a list of the names and addresses of such beneficial owners to the Claims Administrator within ten (10) calendar days after receipt of the Notice, in which event the Claims Administrator shall mail the Notice and Claim Form to such beneficial owners within ten (10) calendar days after receipt thereof.

10. Upon full compliance with this Preliminary Approval Order, including the timely mailing of the Notice and Claim Form to beneficial owners, such nominees may seek

reimbursement of their reasonable expenses actually incurred in complying with this Preliminary Approval Order by providing the Claims Administrator with proper documentation supporting the expenses for which reimbursement is sought and reflecting compliance with these instructions, including timely mailing of the Notice and Claim Form. Such properly documented expenses incurred by nominees in compliance with the terms of this Preliminary Approval Order shall be paid from the Settlement Fund in accordance with the provisions of the Stipulation, subject to further order of this Court with respect to any dispute concerning such compensation.

10. Pursuant to Federal Rule of Civil Procedure 23(e), a hearing (the “Settlement Fairness Hearing”) shall be held on _____, 2022, at _____.m., in the United States District Court for the Southern District of New York, with the Honorable Denise L. Cote presiding, for the following purposes:

- a. to determine whether the Court should grant final certification of the Settlement Class pursuant to Federal Rules of Civil Procedure 23(a) and (b)(3);
- b. to determine whether the proposed Settlement of the Action on the terms and conditions provided for in the Stipulation is fair, reasonable, adequate, and in the best interests of the Settlement Class and should be finally approved by the Court;
- c. to determine whether the Plan of Allocation for the Net Settlement Fund should be approved by the Court as fair and reasonable;
- d. to determine whether the Judgment, substantially in the form attached as Exhibit B to the Stipulation, should be entered, *inter alia*, dismissing the Action against the Defendants with prejudice and extinguishing and releasing all Released Claims (as defined in the Stipulation);
- e. to consider Lead Counsel’s application for an award of attorneys’ fees and

reimbursement of Litigation Expenses;

f. to consider Lead Plaintiff's application for reimbursement of costs and expenses in connection with its representation of the Settlement Class; and

g. to rule on such other matters as the Court may deem appropriate.

11. The Court reserves the right to adjourn the Settlement Fairness Hearing, including the consideration of the application for attorneys' fees and reimbursement of Litigation Expenses, or to make such modification as may be consented to by the Parties to the Stipulation, without further notice to the Settlement Class.

12. Any member of the Settlement Class who wishes to object to the Settlement must, at least twenty-one (21) calendar days prior to the Settlement Fairness Hearing, file with the Court and serve on the Parties (listed below) a written statement of objection to the Settlement, the Plan of Allocation, or the request for attorneys' fees and reimbursement of Litigation Expenses in connection with the representation of the Settlement Class.

13. Any member of the Settlement Class who timely objects to the Settlement, the Plan of Allocation, or the request for attorneys' fees and reimbursement of Litigation Expenses, or who otherwise wishes to be heard, may appear in person or by and through an attorney, at his/her/its own expense, at the Settlement Fairness Hearing and present evidence or argument that may be proper or relevant. Such Settlement Class Member may do so provided that no person other than the Parties and their counsel shall be heard, and no papers, briefs, pleadings, or other documents submitted by any person shall be considered by the Court, unless within twenty-one (21) calendar days prior to the Settlement Fairness Hearing, such person files with the Court and serves upon counsel listed below:

(1) the name, address, and telephone number of the person objecting, signed by the objector;

(2) a statement of such person's objections to any matters before the Court concerning the Settlement and whether the objection applies only to the objector, to a specific subset of the Settlement Class, or to the entire Settlement Class;

(3) the grounds therefore or the reasons that such person desires to appear and be heard, as well as all documents or writings such person desires the Court to consider;

(4) whether that person intends to present any witnesses and/or experts, the identity of any such witnesses and/or experts, and the nature of the witness and/or expert testimony; and

14. Any person falling within the definition of the Settlement Class may, upon request, be excluded from the Settlement Class. Any such person must submit to the Claims Administrator a request for exclusion (“Request for Exclusion”) at least twenty-one (21) calendar days prior to the date of the Settlement Fairness Hearing. To be valid, a Request for Exclusion must state: (1) the name, address, and telephone number of the person requesting exclusion; (2) the person’s purchases of Textron common stock during the Class Period and any sales thereof, including the dates, the number of shares, and price(s) paid and received for each such purchase or sale; (3) a clear and unambiguous statement that the person wishes to be excluded from the Settlement Class; and (4) must include the person’s signature. No further opportunity to request exclusion will be given in this Action. Requests for Exclusion may not be submitted by e-mail, unless otherwise ordered by the Court.

15. All Settlement Class Members shall be bound by all determinations and judgments in this Action concerning the settlement, including but not limited to the releases provided for in the Stipulation, whether favorable or unfavorable, except those who are found by the Court to have timely and validly requested exclusion from the Settlement Class. The persons and entities who request exclusion from the Settlement Class will be excluded from the Settlement Class and shall have no rights under the Stipulation, shall not be entitled to submit any Claim Forms, shall not share in the distribution of the Net Settlement Fund as described in the Stipulation and in the Notice, and shall not be bound by the Stipulation or the Judgment entered as to Defendants in the Action.

16. Any Settlement Class Member who wishes to be eligible to participate in the Net Settlement Fund must timely submit a valid Claim Form to the Claims Administrator, at the Post Office Box indicated in the Notice, postmarked no later than one hundred and twenty (120) calendar days following the Notice Date. Such deadline may be extended further by Court order. A Claim Form shall be deemed to have been submitted when postmarked, if mailed by first class, or registered or certified mail, postage prepaid, addressed in accordance with the instructions given in the Claim Form. All other Claim Forms shall be deemed to have been submitted at the time they are actually received by the Claims Administrator. To be valid, a Claim Form must: (1) be completed in a manner that permits the Claims Administrator to determine the eligibility of the claim as set forth in the Claim Form; (2) include the release by the claimant of all Released Parties as set forth in the Stipulation; and (3) be signed with an affirmation that the information is true and correct. As part of the Claim Form, each Settlement Class Member shall submit to the jurisdiction of the Court with respect to the claim submitted and shall, (subject to the effectuation of the Settlement reflected in the Stipulation), agree and enter into the release as provided in the Stipulation. All Settlement Class Members who do not submit a valid and timely Claim Form shall be barred forever from receiving any payments from the Net Settlement Fund, but will, in all other respects, be subject to and bound by the provisions of the Stipulation and the Judgment, if entered, whether favorable or unfavorable and whether or not they submit a Claim Form, unless such persons request exclusion from the Settlement Class in a timely and proper manner, as provided herein.

17. If this Settlement, including any amendment made in accordance with the Stipulation, is not approved by the Court or shall not become effective for any reason whatsoever, the Settlement (including any modification thereof) made with the consent of the Parties as

provided for in the Stipulation, and any actions taken or to be taken in connection therewith (including this Order and any judgment entered herein), shall be terminated and shall become void and of no further force and effect except as set forth in the Stipulation and will be without prejudice to any party, and may not be introduced as evidence or referred to in any actions or proceedings by any person or entity. Each party shall be restored to their respective positions in the litigation immediately prior to the execution of the Stipulation, including restoration of the Settling Parties' respective rights to seek or to object to the certification of this litigation as a class action under Federal Rules of Civil Procedure 23, or any state or federal rule, statute, law, or provision, and to contest and appeal any grant or denial of certification in this litigation.

18. All proceedings in the Action, other than such proceedings as may be necessary to carry out the terms and conditions of the Settlement, are hereby stayed and suspended until further order of this Court. Pending final determination whether the Settlement should be approved, Lead Plaintiff and all members of the Settlement Class are barred and enjoined from commencing, prosecuting, continuing, instituting, intervening in or participating in or asserting any action or other proceeding in any court of law or equity, arbitration tribunal, or administrative forum, or other forum of any kind or character (whether brought directly, in a representative capacity, derivatively, or in any other capacity), with regards to any of the Released Plaintiff's Claims against the Defendant Releasees as defined in the Stipulation.

19. The contents of the Settlement Fund held by the Escrow Agent shall be deemed and considered to be in *custodia legis* of the Court and shall remain subject to the jurisdiction of the Court until such time as the Settlement Fund shall be distributed pursuant to the Stipulation and further order(s) of the Court.

20. Class Counsel, or an agent thereof, is authorized and directed to prepare any tax returns and any other tax reporting for or in respect of the Settlement Fund and to pay from the Settlement Fund any taxes owed with respect to the Settlement Fund, and to otherwise perform all obligations with respect to taxes and any reporting or filings in respect thereof as contemplated by the Stipulation, without further order of the Court. The Court authorizes payment out of the Settlement Fund of notice and administration expenses in accordance with the Stipulation.

21. This Preliminary Approval Order, the Settlement, the Stipulation, and all negotiations, statements, and proceedings in connection therewith, shall not, in any event, be construed or deemed to be evidence of an admission or concession on the part of Lead Plaintiff, any Defendant, any member of the Settlement Class, or any other person, of any liability or wrongdoing of any nature by them, or any of them, and shall not be offered or received in evidence in any action or proceeding (except an action to enforce the Stipulation and Settlement contemplated thereby), or be used in any way as an admission, concession, or evidence of any liability or wrongdoing of any nature, and shall not be construed as, or deemed to be evidence of, an admission or concession that Lead Plaintiff, any member of the Settlement Class, or any other person, has or has not suffered any damage.

22. All motions and papers in support of the Settlement, the Plan of Allocation, and the request for an award of attorneys' fees and reimbursement of Litigation Expenses, shall be filed and served no later than thirty-five (35) calendar days before the date scheduled for the Settlement Fairness Hearing, and all reply briefs in support of said motions shall be filed and served no later than seven (7) calendar days prior to the Settlement Fairness Hearing.

23. The Court retains jurisdiction over this Action to consider all further matters arising out of or connected with the Settlement reflected in the Stipulation, including enforcement of the releases provided for in the Stipulation.

IT IS SO ORDERED.

DATED:

THE HONORABLE DENISE L. COTE
UNITED STATES DISTRICT COURT JUDGE
SOUTHERN DISTRICT OF NEW YORK

EXHIBIT A-1

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

In re Textron Inc. Securities Litigation

CASE NO.: 1:19-CV-7881-DLC

NOTICE OF (i) PENDENCY OF CLASS ACTION AND PROPOSED SETTLEMENT; (ii) MOTION FOR AN AWARD OF ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES; AND (iii) SETTLEMENT FAIRNESS HEARING

A FEDERAL COURT HAS AUTHORIZED THIS NOTICE. THIS IS NOT A SOLICITATION FROM A LAWYER.

NOTICE OF PENDENCY OF CLASS ACTION AND SETTLEMENT: Please be advised that your rights may be affected by the above-captioned action ("Action") pending in the United States District Court for the Southern District of New York ("Court") if you are a member of the Settlement Class defined below.¹ Please also be advised that the Court-appointed Lead Plaintiff IWA Forest Industry Pension Plan ("Lead Plaintiff"), on behalf of itself and the Settlement Class (as defined below), have reached a proposed Settlement of the Action for Seven Million, Nine Hundred Thousand Dollars (\$7,900,000.00) that, if approved, will resolve all claims in the Action.

PLEASE READ THIS NOTICE CAREFULLY. It explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a Settlement Class Member, your legal rights will be affected whether or not you act.

If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please do not contact Defendants, their counsel, or the Court. All questions should be directed to Lead Counsel or the Claims Administrator.

1. **Description of the Action and Settlement Class:** This Notice relates to a proposed Settlement of claims in a pending securities class action lawsuit brought by investors alleging that Textron Inc. ("Textron" or the "Company"), Scott C. Donnelly, and Frank T. Connor (collectively "Defendants") violated the federal securities laws by misrepresenting and omitting material information concerning a persistent oversupply of aged Arctic Cat snow and dirt inventory that required steep discounting to motivate sales, causing substantial losses during the Class Period. Lead Plaintiff alleged that these misrepresentations and omissions caused the price of Textron publicly-traded common stock to be artificially inflated during the Class Period (January 31, 2018

¹ All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings provided in the Stipulation and Agreement of Settlement dated June 23, 2022 (the "Stipulation"), which is available on the website for the Settlement at www.TextronSecuritiesLitigation.com.

through December 6, 2018, inclusive), causing Lead Plaintiff's and the Settlement Class's damages. Defendants have denied all of Lead Plaintiff's allegations and do not admit any of them. The proposed Settlement, if approved by the Court, will settle all claims of the Settlement Class in the Action. The "Settlement Class," as preliminarily certified by the Court for purposes of settlement only, means all persons or entities who purchased or otherwise acquired Textron common stock on the NYSE or other U.S. exchanges or in a U.S. transaction between January 31, 2018 and December 6, 2018, inclusive. Excluded from the Settlement Class are: (i) Defendants; (ii) members of the immediate family of any Defendant who is an individual; (iii) any person who was an officer or director of Textron during the Class Period; (iv) any firm, trust, corporation, or other entity in which any Defendant has or had a controlling interest; (v) Textron's employee retirement and benefit plan(s) and their participants or beneficiaries, to the extent they made purchases through such plan(s); and (vi) the legal representatives, affiliates, heirs, successors-in-interest, or assigns of any such excluded person. Also excluded from the Settlement Class are those persons and entities who timely and validly request exclusion from the Settlement Class pursuant to this Notice.

2. **Statement of the Settlement Class's Recovery:** Subject to Court approval, and as described more fully below, Lead Plaintiff, on behalf of himself and the Settlement Class, has agreed to settle the Action in exchange for Seven Million, Nine Hundred Thousand Dollars (\$7,900,000.00), (the "Settlement Amount"). The Settlement Amount will be deposited into an interest-bearing Escrow Account. The Net Settlement Fund (*i.e.*, the Settlement Amount plus any and all interest earned thereon while in escrow (the "Settlement Fund") less (i) any Taxes and Tax Expenses, (ii) any Notice and Administration Costs, (iii) any Litigation Expenses awarded by the Court; and (iv) any attorneys' fees awarded by the Court) (the "Net Settlement Fund"), will be distributed in accordance with a plan of allocation that is approved by the Court, which will determine how the Net Settlement Fund shall be allocated among members of the Settlement Class. The proposed plan of allocation (the "Plan of Allocation") is set forth on paragraphs 44-58, below.

3. **Estimate of Average Amount of Recovery Per Share:** Lead Plaintiff's damages expert estimates that 60,235,659 shares of Textron common stock were purchased during the Class Period and held through a corrective disclosure, and therefore were damaged. Lead Plaintiff's damages expert estimates that, if valid Claims for all damaged shares are submitted, the average recovery per damaged share of Textron common stock will be approximately \$0.13 per share, before deduction of attorneys' fees, costs and expenses awarded by the Court, and the costs of providing notice and administering the Settlement. **Settlement Class Members should note, however, that the foregoing average recovery per eligible share is only an estimate.** A Settlement Class Member's actual recovery will depend on several things, including: (1) the total number of Claims filed; (2) when and at what price they purchased their Textron common stock during the Class Period; (3) whether and when they sold their Textron common stock; (4) the amount of Notice and Administration Costs; and (5) the amount of attorneys' fees and Litigation Expenses awarded by the Court. Distributions to Settlement Class Members will be made based on the Plan of Allocation set forth below (see paragraphs 44-58) or such other plan of allocation as may be ordered by the Court.

4. **Statement of Average Amount of Damages Per Share:** The Parties do not agree on the average amount of damages per share that would be recoverable if Lead Plaintiff were to prevail in the Action. Among other things, Defendants deny that they made any materially false or misleading statements or failed to disclose any material information. In sum, Defendants do not agree with the assertion that they engaged in any actionable misconduct under the federal securities laws or that any damages were suffered by any members of the Settlement Class as a result of their conduct.

5. **Statement of Attorneys’ Fees and Expenses Sought:** Court-appointed Lead Counsel, Kaplan Fox & Kilsheimer LLP, has been prosecuting the Action on a wholly contingent basis since being appointed as Lead Counsel, has not received any payment of attorneys’ fees for their representation of Lead Plaintiff or the Settlement Class, and has advanced tens of thousands of dollars in expenses necessarily incurred in order to prosecute the Action. As set forth in greater detail below (*see* paragraphs 15-23 below), Lead Counsel was responsible for: (i) conducting an extensive investigation into the Settlement Class’s claims; (ii) drafting two detailed amended complaints; (iii) opposing Defendants’ motion to dismiss; (iv) appealing the District Court’s dismissal of the complaint, resulting in the reinstatement of certain of Lead Plaintiff’s claims; (iv) engaging in an expedited discovery program in which both Parties produced documents in response to targeted requests; (v) reviewing documents produced by Defendants; (vi) engaging experts in evaluating causation and damages; (vii) briefing an independent and experienced mediator on relevant claims and applicable law; and (viii) engaging in a full-day mediation session and extensive subsequent negotiations before reaching an agreement in principle to settle. Lead Counsel will ask the Court to award attorneys’ fees in an amount not to exceed twenty-five percent (25%) of the Settlement Fund. Lead Counsel also will apply for the reimbursement of Litigation Expenses paid or incurred by Lead Counsel in connection with the prosecution and resolution of the Action, in an amount not to exceed \$125,000, which may include the reasonable costs and expenses of Lead Plaintiff directly related to its representation of the Settlement Class. If the Court approves Lead Counsel’s fee and expense application, the average cost per affected share of Textron common stock will be approximately \$0.03. **Please note that this amount is only an estimate.**

6. **Identification of Attorneys’ Representatives:** Lead Plaintiff and the Settlement Class are being represented by: Frederic S. Fox, Kaplan Fox & Kilsheimer LLP, 850 Third Avenue, 14th Floor, New York, NY 10022, (800) 290-1952, mail@kaplanfox.com.

7. **Reasons for the Settlement:** Lead Plaintiff’s principal reason for entering into the Settlement is the substantial cash benefit for the Settlement Class, without the risk or the delays inherent in further litigation. Moreover, the substantial cash provided under the Settlement must be considered against the significant risk that a smaller recovery—or, indeed, no recovery at all—might be achieved after a trial of the Action and the likely appeals that would follow a trial, a process that could last many months, or even years, into the future. Defendants, who deny all allegations of wrongdoing or liability whatsoever, are entering into the Settlement solely to eliminate the uncertainty, burden, and expense of further protracted litigation. The amount of damages recoverable by the Settlement Class was and is challenged by Defendants.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
SUBMIT A CLAIM FORM ONLINE OR POSTMARKED NO LATER THAN _____, 2022.	This is the only way to be eligible to receive a payment from the Settlement. If you are a Settlement Class Member, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs’ Claims (as defined in paragraph 37 below) that you have against Defendants and the other Defendants’ Releasees (as defined in paragraph 36 below), so it is in your interest to submit a Claim Form.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:

EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION SO THAT IT IS RECEIVED NO LATER THAN _____, 2022.	If you exclude yourself from the Settlement Class, you will not be eligible to receive any payment from the Settlement Fund. This is the only option that allows you to ever be part of any other lawsuit against the Defendants and the other Defendant Releasees concerning the claims that were, or could have been, asserted in this Action. It is also the only way for Settlement Class Members to remove themselves from the Settlement Class. If you are considering excluding yourself from the Settlement Class, please note that there is a risk that any new claims asserted against the Defendants and the other Defendant Releasees may no longer be timely and would be time-barred. <i>See</i> paragraph 63 below.
OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION SO THAT IT IS RECEIVED NO LATER THAN _____, 2022.	If you do not like the proposed Settlement, the proposed Plan of Allocation, and/or the request for attorneys' fees and reimbursement of Litigation Expenses, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation, and/or the fee and expense request unless you are a Settlement Class Member and do not exclude yourself from the Settlement Class.
FILE A NOTICE OF INTENTION TO APPEAR SO THAT IT IS RECEIVED NO LATER THAN _____, 2022, AND GO TO THE HEARING ON _____, 2022 AT THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, 500 PEARL STREET, COURTROOM 18B, NEW YORK, NY 10007.	Filing a written objection and notice of intention to appear by _____, 2022 allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the proposed Plan of Allocation, and/or the request for attorneys' fees and reimbursement of Litigation Expenses. If you submit a written objection, you may (but do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection.
DO NOTHING.	If you are a member of the Settlement Class and you do not submit a Claim Form by _____, 2022, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Settlement Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.

These rights and options – and the deadlines to exercise them – are further explained in this Notice. Please Note: The date and time of the Settlement Fairness Hearing – currently scheduled for _____, 2022 at __:00 __.m. – is subject to change without further notice to the Settlement Class. If you plan to attend the hearing, you should check the website www.TextronSecuritiesLitigation.com contact Lead Counsel as set forth above to confirm that no change to the date and/or time of the hearing has been made.

WHY DID I GET THIS NOTICE?

8. This Notice was sent to you pursuant to an Order of the Court because Textron common stock may have been purchased during the Class Period (*i.e.*, January 31, 2018 through December 6, 2018, inclusive) by you, someone in your family, or an investment account for which you serve as custodian. The Court has directed us to send you this Notice because, as a potential Settlement Class Member, you have a right to know about your options before the Court rules on the proposed Settlement of this Action. Additionally, you have the right to understand how a class action lawsuit may generally affect your legal rights. If the Court approves the Settlement, A.B. Data, Ltd., the Claims Administrator retained by Lead Counsel and approved by the Court, will distribute payments pursuant to the Plan of Allocation after any objections and appeals are resolved.

9. In a class action lawsuit, under federal law, the Court appoints one or more investors to oversee litigation brought on behalf of all investors with similar claims, commonly known as the class or the class members. In this Action, the Court appointed IWA Forest Industry Pension Plan to serve as "Lead Plaintiff" and appointed the law firm of Kaplan Fox & Kilsheimer LLP as Lead Counsel. Pursuant to the Court's Order issued on _____, 2022, Lead Plaintiff was preliminarily certified as "Class Representative" and Lead Counsel was preliminarily appointed as "Class Counsel" for settlement purposes. The Settlement, if approved by the Court, will resolve all issues on behalf of the Settlement Class Members, except for any Persons who timely submit a request for exclusion in accordance with this Notice.

10. The Court in charge of this case is the United States District Court for the Southern District of New York, and the case is known as *In re Textron Inc. Securities Litigation.*, Case No. 1:19-cv-7881-DLC (S.D.N.Y.). The judge presiding over this case is the Honorable Denise L. Cote, United States District Court Judge. The people who are suing are called plaintiffs and those who are being sued are called defendants. In this case, the Lead Plaintiff is suing Defendants on behalf of itself and the Settlement Class. If the Settlement is approved, it will resolve all claims which are, or could have been, included in the Action, and will bring the Action to an end.

11. This Notice explains the lawsuit, the Settlement, your legal rights, the benefits that are available, who is eligible for them, and how to get them. The purpose of this Notice is to inform you that a Settlement has been reached in the Action and how you might be affected. It also is being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the proposed Settlement, the proposed Plan of Allocation, and the motion by Lead Counsel for an

award of attorneys' fees and reimbursement of Litigation Expenses (the "Settlement Fairness Hearing").

12. The Settlement Fairness Hearing will be held on _____, 2022 at _____ [time], before the Honorable Denise L. Cote, at the United States District Court for the Southern District of New York, 500 Pearl Street, Courtroom 18B, New York, NY 10007, to determine:

- a) whether the Settlement Class should be certified for purposes of settlement only;
- b) whether the proposed Settlement is fair, reasonable, and adequate and should be approved by the Court;
- c) whether the Action should be dismissed with prejudice against the Defendants as set forth in the Stipulation;
- d) whether the proposed Plan of Allocation is fair and reasonable and should be approved by the Court;
- e) whether Lead Counsel's request for an award of attorneys' fees and reimbursement of Litigation Expenses should be approved by the Court; and
- f) any other relief the Court deems necessary to effectuate the terms of the Settlement.

13. This Notice does not express any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement, payments to Authorized Claimants will be made after any appeals are resolved, and after the completion of all claims processing. The claims process could take substantial time to complete fully and fairly; we appreciate your patience.

WHAT IS THIS CASE ABOUT?

A. Summary of Procedural History and Background on Lead Plaintiff's Claims

14. This case involves allegations that Defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 (the "Exchange Act"), and Rule 10b-5(b) promulgated thereunder.

15. On August 22, 2019, the initial complaint was filed in the Action. In accordance with the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4, as amended ("PSLRA"), notice to the public was issued stating the deadline by which putative class members could move the Court for appointment as lead plaintiff.

16. By Order dated November 13, 2019, the Court appointed IWA Forest as Lead Plaintiff and Kaplan Fox & Kilsheimer LLP as Lead Counsel.

17. On December 24, 2019, Lead Plaintiff filed the Amended Consolidated Class Action Complaint for Violation of Federal Securities Laws, asserting claims under §§ 10(b) and 20(a) of the Securities Exchange Act of 1934 ("Exchange Act"), 15 U.S.C. §§ 78j(b) and 78t(a), and Rule 10b-5 promulgated thereunder, against Defendants.

18. On February 14, 2020, Lead Plaintiff filed the Second Amended Consolidated Class Action Complaint for Violation of Federal Securities Laws (the "Complaint"), asserting claims under §§ 10(b) and 20(a) of the Securities Exchange Act of 1934 ("Exchange Act"), 15 U.S.C. §§ 78j(b) and 78t(a), and Rule 10b-5 promulgated thereunder, against Defendants. The claims concerned Defendants' alleged false or misleading statements regarding: (a) Textron's efforts to reduce aged Arctic Cat snow and dirt inventory; (b) the Arctic Cat acquisition being accretive to earnings in 2018; and (c) whether there was an impairment of goodwill due to the losses caused by Arctic Cat inventory problems and excessive discounting.

19. Defendants moved to dismiss the Complaint on March 6, 2020. On March 27, 2020, Lead Plaintiff filed its opposition to Defendants' motion to dismiss, and on April 10, 2020, Defendants filed their reply in further support of their motion.

20. By Order dated July 20, 2020, the Court granted Defendants' motion to dismiss the Complaint and entered a Judgment in favor of Defendants.

21. On August 18, 2020, Lead Plaintiff filed a Notice of Appeal of the Court's July 20, 2020 Order and Judgment.

22. On November 30, 2020, Lead Plaintiff filed its brief in support of the appeal. On March 1, 2021 Defendants filed an opposition and on March 22, 2021 Lead Plaintiff filed its reply.

23. On September 17, 2021, the United States Court of Appeals for the Second Circuit issued an Opinion Vacating and Remanding the Action as to the inventory related statements only, and affirming the Court's dismissal of all remaining allegations.

24. On November 9, 2021, the Court entered a Pretrial Scheduling Order including a schedule for discovery and private mediation.

B. The Parties' Settlement Negotiations

25. On March 11, 2022 the Parties conducted a full-day remote mediation session before Greg Danilow, Esq. of Phillips ADR. Although the Parties were unable to reach a resolution of the Action at the initial mediation, they continued their negotiations with the assistance of Mr. Danilow over the following two months, and executed a term sheet on May 5, 2022 providing for the Settlement and release of all claims asserted against Defendants for Seven Million, Nine Hundred Thousand Dollars (\$7,900,000.00), subject to certain terms and conditions and the execution of a customary "long form" stipulation of Settlement and related papers.

26. Based upon their investigation, prosecution, and mediation of the case, Lead Counsel has concluded that the terms and conditions of the Stipulation are fair, reasonable, and adequate to Lead Plaintiff and the other members of the Settlement Class, and in their best interests. Based on Lead Plaintiff's oversight of the prosecution of this matter and with the advice of Lead Counsel, Lead Plaintiff has agreed to settle the claims raised in the Action pursuant to the terms and provisions of the Stipulation, after considering (a) the very substantial financial benefit that Lead Plaintiff and the other members of the Settlement Class will receive under the proposed Settlement, (b) the significant risks of continued litigation and trial, and (c) the desirability of permitting the Settlement to be consummated as provided by the terms of the Stipulation. The fact that Lead Plaintiff has agreed to settle the Action shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any Lead Plaintiff of any infirmity in any of the claims asserted in the Action, or an admission or concession that any of Defendants' affirmative defenses to liability have any merit.

27. Defendants are entering into the Stipulation solely to eliminate the uncertainty, burden, and expense of further protracted litigation. Each of the Defendants denies any wrongdoing and maintains that their conduct was at all times proper and in compliance with applicable provisions of law. The Stipulation shall in no event be construed or deemed to be an admission or concession on the part of any of the Defendants, or any of the other Defendant Releasees (defined in paragraph 36 below), with respect to any claim or allegation of any fault or liability or wrongdoing or damage whatsoever, or any infirmity in the defenses that Defendants have or could have asserted. Defendants expressly deny that Lead Plaintiff has asserted any valid claims as to any of them and expressly deny all allegations of fault, liability, wrongdoing, or damages whatsoever.

28. On _____, 2022, the Court preliminarily approved the Settlement, authorized this Notice to be

disseminated to potential Settlement Class Members, and scheduled the Settlement Fairness Hearing to consider whether to grant final approval of the Settlement.

HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT? WHO IS INCLUDED IN THE CLASS?

29. If you are a member of the Settlement Class, you are subject to the Settlement unless you are excluded from the Settlement Class as set forth below. The Settlement Class consists of:

all persons or entities who purchased or otherwise acquired Textron common stock on the NYSE or other U.S. exchanges or in a U.S. transaction between January 31, 2018 and December 6, 2018, inclusive.

Excluded from the Settlement Class are: (i) Defendants; (ii) members of the immediate family of any Defendant who is an individual; (iii) any person who was an officer or director of Textron during the Class Period; (iv) any firm, trust, corporation, or other entity in which any Defendant has or had a controlling interest; (v) Textron's employee retirement and benefit plan(s) and their participants or beneficiaries, to the extent they made purchases through such plan(s); and (vi) the legal representatives, affiliates, heirs, successors-in-interest, or assigns of any such excluded person. Also excluded from the Settlement Class are any persons or entities who submit a request for exclusion from the Settlement Class in connection with this Notice.

PLEASE NOTE: RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT. IF YOU WISH TO BE ELIGIBLE TO PARTICIPATE IN THE DISTRIBUTION OF PROCEEDS FROM THE SETTLEMENT, YOU ARE REQUIRED TO SUBMIT THE CLAIM FORM THAT IS BEING DISTRIBUTED WITH THIS NOTICE AND THE REQUIRED SUPPORTING DOCUMENTATION POSTMARKED (IF MAILED), OR ONLINE, NO LATER THAN _____, 2022.

WHAT DOES THE SETTLEMENT PROVIDE?

30. The full terms and provisions of the Settlement are set forth in the Stipulation, which can be viewed at www.TextronSecuritiesLitigation.com.

31. Pursuant to the Settlement, Defendants have agreed to pay Seven Million, Nine Hundred Thousand Dollars (\$7,900,000.00) (the "Settlement Amount"). The Settlement Amount will be deposited into an interest-bearing Escrow Account. The Settlement Amount plus all interest earned thereon while in escrow is referred to as the "Settlement Fund." If the Settlement is approved by the Court and the Effective Date occurs, the "Net Settlement Fund" (that is, the Settlement Fund less (i) any Taxes and Tax Expenses; (ii) any Notice and Administration Costs; (iii) any Litigation Expenses awarded by the Court; and (iv) any attorneys' fees awarded by the Court will be distributed to Settlement Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation (as set forth below) or such other plan of allocation as the Court may approve.

32. The Net Settlement Fund will not be distributed until the Court has approved a plan of allocation and the Settlement, and the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired.

33. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf are entitled to get back any portion of the Settlement Fund once the Court's order or Judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund, or the Plan of Allocation.

WHAT ARE LEAD PLAINTIFF’S REASONS FOR THE SETTLEMENT?

34. The principal reason for Lead Plaintiff’s consent to the Settlement is that it provides an immediate and substantial benefit to the Settlement Class, in the form of a substantial monetary recovery. The benefit of the present Settlement must be compared to the risk that no recovery might be achieved after a contested trial and likely appeals, possibly many months, or even years, into the future.

35. But for the Settlement, this Action would have proceeded through further fact discovery, expert discovery, a motion for class certification, summary judgment motions and, depending on the outcome, trial. The claims advanced by the Settlement Class in the Action involve numerous complex legal and factual issues. If the Action were to proceed to trial, Lead Plaintiff would have to overcome significant defenses asserted by Defendants. Among other things, the Parties disagree about (i) whether Lead Plaintiff or the Settlement Class have suffered any damages, (ii) whether the price of Textron common stock was artificially inflated by reason of the alleged misrepresentations and omissions, and (iii) whether Defendants made any material misrepresentations or omissions. Even after an extensive investigation and initial discovery, questions remain regarding Defendants’ liability or the extent thereof, and whether a jury would find them liable. This Settlement enables the Settlement Class to recover without incurring any additional risk or costs.

36. Defendants have expressly denied and continue to deny all assertions of wrongdoing or liability against them arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged, in the Action. Defendants deny that they are liable in any respect or that Plaintiffs suffered any injury. Defendants have agreed to enter into the Settlement, as embodied in the Stipulation, solely to avoid the uncertainty, burden, and expense of further protracted litigation.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

37. If there were no Settlement and Lead Plaintiff failed to establish any essential legal or factual element of its claims, neither Lead Plaintiff nor the other members of the Settlement Class would recover anything from Defendants. Also, if Defendants were successful in proving any of their defenses at summary judgment, trial, or on appeal, the Settlement Class likely would recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW ARE SETTLEMENT CLASS MEMBERS AFFECTED BY THE SETTLEMENT? WHAT CLAIMS WILL BE RELEASED BY THE SETTLEMENT?

38. If you are a Settlement Class Member, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the “Judgment”), which will dismiss with prejudice the claims against Defendants. The Judgment will also provide that, upon the Effective Date of the Settlement, Lead Plaintiff and all other Settlement Class Members, on behalf of themselves, and their respective heirs, administrators, predecessors, successors and assigns in their capacities as such, will fully, finally and forever release all Released Plaintiffs’ Claims against all Defendants Releasees, to the fullest extent that the law permits.

39. “Defendant Releasees” means (i) Defendants and their attorneys; (ii) all current and former direct or indirect owners, managers, officers, directors, boards of directors, members, partners, advisory committees, employees, contractors, attorneys, agents, shareholders, representatives, benefit plans, and advisors of Textron and its parents, subsidiaries, owners, and affiliates, in their capacity as such; (iii) the respective Immediate Family members, heirs, trusts, trustees, executors, estates, administrators, beneficiaries, agents, affiliates, insurers, reinsurers, and insurers’ brokers and advisors, predecessors, predecessors-in-interest, successors, successors-in-

interest, assigns, advisors and associates of each of the persons or entities listed in (i) and (ii), in their capacities as such; and (iv) any person who is or could be alleged to be a controlling person as to any Defendant.

40. “Released Claims” means all Released Defendants’ Claims and all Released Plaintiffs’ Claims. “Released Defendants’ Claims” means all claims and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, local, common, statutory, administrative or foreign law, or any other law, rule or regulation, at law or in equity, whether class or individual in nature, whether accrued or unaccrued, whether liquidated or unliquidated, whether matured or unmatured, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims against Defendants. “Released Defendants’ Claims” do not include any claims relating to the enforcement of the Settlement. “Released Plaintiffs’ Claims” means any and all rights, debts, demands, claims and causes of action or liabilities (including but not limited to any claims for damages, restitution, rescission, interest, attorneys’ fees, expert or consulting fees, and any other costs expenses or liability whatsoever) of every nature and description, whether known claims or Unknown Claims, whether based on or arising under federal, state, local, common, statutory, administrative or foreign law, or any other law, rule or regulation, at law or in equity, whether class or individual in nature, whether accrued or unaccrued, whether liquidated or unliquidated, whether matured or unmatured, that Lead Plaintiff or any other member of the Settlement Class: (i) asserted or could have asserted in the Action or (ii) could have asserted in any court or forum that arise out of, relate to, or are based in any way, directly or indirectly, upon the allegations, transactions, facts, matters or occurrences, representations, or omissions set forth in the Action and that relate to the purchase of Textron common stock on the NYSE or other U.S. exchanges or in a U.S. transaction during the Class Period, including, without limitation, claims that arise out of or relate to any disclosures, SEC filings, press releases, or other public statements by or on behalf of Textron during the Class Period.

41. “Unknown Claims” means any Released Plaintiffs’ Claims which Lead Plaintiff or any other Settlement Class Member does not know or suspect to exist in his, her or its favor at the time of the release of such claims, and any Released Defendants’ Claims which any Defendant does not know or suspect to exist in his or its favor at the time of the release of such claims, which, if known by him, her or it, might have affected his, her or its decision(s) with respect to this Settlement, including, but not limited to, whether or not to object to the Settlement or to the release of the Released Claims. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Lead Plaintiff and Defendants shall expressly waive, and each of the Settlement Class Members shall be deemed to have, and by operation of the Judgment or the Alternative Judgment, if applicable, shall have, expressly waived, the provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The Parties acknowledge that they may hereafter discover facts in addition to or different from those which he, she or it or their counsel now knows or believes to be true with respect to the subject matter of the Released Claims, but, upon the Effective Date, Lead Plaintiff and Defendants shall expressly settle and release, and each of the other Settlement Class Members shall be deemed to have, and by operation of the Judgment or the Alternative Judgment, if applicable, shall have, settled and released, any and all Released Claims without regard to the subsequent discovery or existence of such different or additional facts. Lead Plaintiff and Defendants acknowledge, and each of the other Settlement Class Members shall be deemed by operation of the Judgment or the Alternative Judgment, if applicable, to have acknowledged, that the foregoing waiver was separately bargained for and is a key element of the Settlement of which this release is a part.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

42. To be eligible for a payment from the proceeds of the Settlement, you must be a member of the Settlement Class and you must timely complete and return the Claim Form with adequate supporting documentation **postmarked (if mailed), or submitted online at www.TextronSecuritiesLitigation.com no later than _____, 2022.** A Claim Form is included with this Notice, or you may obtain one from the website for the Settlement, www.TextronSecuritiesLitigation.com, or you may request that a Claim Form be mailed to you by calling the Claims Administrator, A.B. Data, Ltd., at 877-354-3791. **Please retain all records of your ownership of and transactions in Textron common stock, as they may be needed to document your Claim.** If you are excluded from the Settlement Class by definition or you submit a request for exclusion in connection with this Notice, or if you do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

43. As a Settlement Class Member, you are represented by Lead Plaintiff and Lead Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her notice of appearance on the attorneys listed in the section entitled, “When and Where Will the Court Decide Whether to Approve the Settlement?,” below.

44. If you are a Settlement Class Member and you wish to object to the Settlement, the proposed Plan of Allocation, or the application for attorneys’ fees and reimbursement of Litigation Expenses, you may present your objections by following the instructions in the section entitled, “When and Where Will the Court Decide Whether to Approve the Settlement?” below.

HOW MUCH WILL MY PAYMENT BE? WHAT IS THE PROPOSED PLAN OF ALLOCATION?

45. At this time, it is not possible to make any determination as to how much any individual Settlement Class Member may receive from the Settlement. A Claimant’s recovery from the Net Settlement Fund will depend on several factors, including when and at what prices the Claimant purchased or otherwise acquired Textron common stock, and the total number of shares of Textron common stock for which valid Claim Forms are submitted.

46. The proposed Plan of Allocation for allocating the Net Settlement Fund among Authorized Claimants is set forth below. Defendants had no involvement in the proposed Plan of Allocation. The Court may modify the Plan of Allocation, or approve a different plan of allocation, without further notice to the Class.

PROPOSED PLAN OF ALLOCATION

47. The Plan of Allocation set forth below is the plan that is being proposed to the Court for approval by Lead Plaintiff after consultation with its damages expert. The Court may approve the Plan of Allocation with or without modification, or approve another plan of allocation, without further notice to the Settlement Class. Any Orders regarding a modification of the Plan of Allocation will be posted on the website for the Settlement, www.TextronSecuritiesLitigation.com. Defendants have had, and will have, no involvement or responsibility for the terms or application of the Plan of Allocation.

48. The objective of the Plan of Allocation is to equitably distribute Net Settlement proceeds to those Authorized Claimants who suffered economic losses as a proximate result of the alleged wrongdoing. The Plan of Allocation generally measures the amount of loss that Authorized Claimants can claim for purposes of making *pro rata* allocations of the Net Settlement proceeds. To design this Plan, Class Counsel has conferred with their damages expert. However, the Plan of Allocation is not a formal damages analysis. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of the amounts that Authorized Claimants

might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The calculations made pursuant to the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Settlement proceeds.

49. For losses to be compensable damages under the federal securities laws, the disclosure of the allegedly misrepresented information must be the cause of the investor's loss and inflation paid at the time of purchase must exceed the inflation at time of sale. In this case, Lead Plaintiff alleged that Defendants made false statements and omitted material facts during the period between January 31, 2018 through and including December 6, 2018, which had the effect of artificially inflating the prices of Textron common stock. Lead Plaintiff alleged that artificial inflation was removed from Textron common stock on October 18, 2018 and December 7, 2018 in reaction to information disclosed on October 18, 2018 (prior to market hours) and December 6, 2018 (after market hours).²

50. In order to have a "Recognized Loss Amount" under the Plan of Allocation with respect to Textron common stock, the security must have been purchased during the Class Period and held through at least one of the alleged disclosures that resulted in a statistically significant change in market price.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

51. A Recognized Loss Amount will be calculated by the Claims Administrator as set forth below for each purchase or other acquisition of Textron common stock from January 31, 2018 through and including December 6, 2018, that is listed in the Claim Form and for which adequate documentation is provided. To the extent that a calculation of a Recognized Loss Amount results in a negative number, that number shall be set to zero.

52. For each share of Textron common stock purchased or otherwise acquired from January 31, 2018 through and including October 17, 2018, and:

A. Sold before October 18, 2018, the Recognized Loss Amount for each such share shall be zero.

B. Sold on or after October 18, 2018 through and including December 6, 2018, the Recognized Loss Amount for each such share shall be *the lesser of*:

(i) \$3.50; or

(ii) the actual purchase/acquisition price *minus* the actual sale price.

C. Sold on or after December 7, 2018 through and including March 6, 2019, the Recognized Loss Amount for each such share shall be *the least of*:

(i) \$3.54; or

(ii) the actual purchase/acquisition price of each such share *minus* the average closing price from December 7, 2018, up to the date of sale as set forth in Table 1 below; or

(iii) the actual purchase/acquisition price *minus* the actual sale price.

² Because claims related to the alleged December 6, 2018 corrective disclosure would have faced substantial litigation risk had this case proceeded (*see*, [COURT DOCS: Case 20-2756, Document 75-1 and Case 1:19-cd-07881-DLSC Document 50]) the artificial inflation related to that alleged corrective event has been discounted by 95% (multiplied by 5%).

D. Held as of the close of trading on March 6, 2019, the Recognized Loss Amount for each such share shall be *the lesser of*:

- (i) \$3.54; or
- (ii) the actual purchase/acquisition price of each such share *minus* \$50.70.³

53. For each share of Textron common stock purchased or otherwise acquired from October 18, 2018 through and including December 6, 2018, and:

A. Sold before December 7, 2018, the Recognized Loss Amount for each such share shall be zero.

B. Sold on or after December 7, 2018 through and including March 6, 2019, the Recognized Loss Amount for each such share shall be *the least of*:

- (i) \$0.04; or
- (ii) the actual purchase/acquisition price of each such share *minus* the average closing price from December 7, 2018, up to the date of sale as set forth in Table 1 below; or
- (iii) the actual purchase/acquisition price *minus* the actual sale price.

C. Held as of the close of trading on March 6, 2019, the Recognized Loss Amount for each such share shall be *the lesser of*:

- (i) \$0.04; or
- (ii) the actual purchase/acquisition price of each such share *minus* \$50.70.⁴

CALCULATION OF RECOGNIZED GAIN AMOUNTS

54. A Recognized Gain Amount will be calculated by the Claims Administrator as set forth below for each share of Textron common stock held as of the close of trading on January 30, 2018 that is listed in the Claim Form and for which adequate documentation is provided. To the extent that a Claimant has no holdings of Textron common stock as of January 30, 2018, their Recognized Gain Amount shall be set to zero.

55. For each share of Textron common stock held as of the close of trading on January 30, 2018, and:

³ Pursuant to Section 21(D)(e)(1) of the PSLRA, “in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day look-back period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market.” Consistent with the requirements of the PSLRA, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Textron common stock during the 90-day look-back period, December 7, 2018 through March 6, 2019. The mean (average) closing price for Textron common stock during this 90-day look-back period was \$50.70.

⁴ As explained in footnote 3 above, pursuant to the Exchange Act, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of Textron common stock during the 90-day look-back period, December 7, 2018 through March 6, 2019. The mean (average) closing price for Textron common stock during this 90-day look-back period was \$50.70.

- A. Sold on or after January 31, 2018 through and including October 17, 2018, the Recognized Gain Amount for each such share shall be \$3.54.
- B. Sold on or after October 18, 2018 through and including December 6, 2018, the Recognized Gain Amount for each such share shall be \$0.04.
- C. Not sold before December 7, 2018, the Recognized Gain Amount for each such share shall be zero.

ADDITIONAL PROVISIONS

56. **FIFO Matching:** If a Claimant has more than one purchase/acquisition or sale of Textron common stock during the Class Period, all purchases/acquisitions and sales shall be matched on a First In, First Out (“FIFO”) basis. Class Period sales will be matched first against any holdings at the beginning of the Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Class Period.

57. **Calculation of Claimant’s “Recognized Claim”:** A Claimant’s “Recognized Claim” will be the sum of his, her, or its Recognized Loss Amounts as calculated above with respect to Textron common stock *minus* the sum of his, her, or its Recognized Gain Amounts as calculated above with respect to Textron common stock. To the extent that a calculation of a Recognized Claim results in a negative number, that number shall be set to zero.

58. **Purchase/Acquisition/Sale Dates and Prices:** Purchases or acquisitions and sales of Textron common stock shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. All purchase or acquisition and sale prices shall exclude any fees, taxes, and commissions. The receipt or grant by gift, inheritance or operation of law of Textron common stock during the Class Period shall not be deemed a purchase, acquisition, or sale for the calculation of a Claimant’s Recognized Loss Amount pursuant to the calculations set forth above, and such receipt or grant shall not be deemed an assignment of any claim relating to the purchase/acquisition or sale of such Textron Securities, unless (i) the donor or decedent purchased or otherwise acquired such securities during the Class Period; (ii) the instrument of gift or assignment specifically provides that it is intended to transfer such rights; and (iii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such Textron Securities.

59. **Short Sales:** With respect to Textron common stock, the date of covering a short sale is deemed to be the date of purchase or acquisition of the stock. The date of a short sale is deemed to be the date of sale of the respective Textron common stock. In accordance with the Plan of Allocation, however, the Recognized Loss Amount on short sales, including purchases covering short sales, during the Class Period is zero. In the event that a Claimant has an opening short position in Textron common stock, the earliest Class Period purchases or acquisitions shall be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

60. **Eligible Securities:** Textron common stock is the only security eligible for recovery under the Plan of Allocation. With respect to Textron common stock purchased or sold through the exercise of an option, the purchase/sale date of the Textron common stock will be the exercise date of the option and the purchase/sale price will be the exercise price of the option.

61. **Calculation of Claimant’s “Recognized Claim”:** A Claimant’s “Recognized Claim” will be the sum of his, her, or its Recognized Loss Amounts as calculated above with respect to Textron common stock.

62. **Determination of Distribution Amount:** If the sum total of Recognized Claims of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its *pro rata* share of the Net Settlement Fund. The *pro rata* share will be the Authorized Claimant's Recognized Claim divided by the total of Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

63. If the Net Settlement Fund exceeds the sum total amount of the Recognized Claims of all Authorized Claimants entitled to receive payment out of the Net Settlement Fund, the excess amount in the Net Settlement Fund will be distributed *pro rata* to all Authorized Claimants entitled to receive payment.

64. If an Authorized Claimant's Distribution Amount calculates to less than \$10.00, no distribution will be made to that Authorized Claimant.

65. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund nine (9) months after the initial distribution, if Class Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$10.00 from such re-distribution. Additional re-distributions to Authorized Claimants who have cashed their prior checks and who would receive at least \$10.00 on such additional re-distributions may occur thereafter if Class Counsel, in consultation with the Claims Administrator, determine that additional re-distributions, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance will be contributed to non-sectarian, not-for-profit, 501(c)(3) organization(s), to be recommended by Class Counsel and approved by the Court.

66. Payment pursuant to the Plan of Allocation, or such other plan as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiff, Class Counsel, Defendants, their counsel, damages expert, Claims Administrator, or other agent designated by Class Counsel arising from determinations or distributions to Claimants made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further orders of the Court. Defendants and their counsel shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund, the Plan of Allocation, the determination, administration, calculation, or payment of any Claim or any actions taken (or not taken) by the Claims Administrator, the payment or withholding of taxes owed by the Settlement Fund, or any losses incurred in connection therewith.

67. The Plan of Allocation set forth herein is the plan that is being proposed by Lead Plaintiff and Class Counsel to the Court for approval. The Court may approve this Plan of Allocation as proposed or it may modify the Plan without further notice to the Settlement Class. Any orders regarding a modification of the Plan of Allocation will be posted to the website for this Settlement, www.TextronSecuritiesLitigation.com.

ADDITIONAL PROVISIONS

68. The Net Settlement Fund will be allocated among all Authorized Claimants whose Distribution Amount (defined in paragraph 56 below) is \$10.00 or greater.

69. If a Settlement Class Member has more than one purchase or sale of Textron common stock during the Class Period, all purchases and sales shall be matched on a FIFO basis. Class Period sales will be matched first against any holdings at the beginning of the Class Period, and then against purchases in chronological order, beginning with the earliest purchase made during the Class Period.

70. Purchases and sales of Textron common stock shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. The receipt or grant by gift, inheritance or operation of law of Textron common stock during the Class Period, shall not be deemed a purchase or sale of these shares of Textron common stock for the calculation of an Authorized Claimant’s Recognized Claim, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase of such shares of Textron common stock unless (i) the donor or decedent purchased such shares of Textron common stock during the Class Period; (ii) no Claim Form was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares of Textron common stock; and (iii) it is specifically so provided in the instrument of gift or assignment.

71. The date of covering a “short sale” is deemed to be the date of purchase of the Textron common stock. The date of a “short sale” is deemed to be the date of sale of the Textron common stock. In accordance with the Plan of Allocation, however, the Recognized Loss Amount on “short sales” is zero. In the event that a Claimant has an opening short position in Textron common stock, the earliest purchases during the Class Period shall be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

72. Textron common stock purchased on the NYSE, on other U.S. exchanges or in a U.S. transaction is the only security eligible for recovery under the Plan of Allocation. Option contracts to purchase or sell Textron common stock are not securities eligible to participate in the Settlement. With respect to Textron common stock purchased or sold through the exercise of an option, the purchase/sale date of the Textron common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option. Any Recognized Loss Amount arising from purchases of Textron common stock acquired during the Class Period through the exercise of an option on Textron common stock⁵ shall be computed as provided for other purchases of Textron common stock in the Plan of Allocation.

73. The Net Settlement Fund will be distributed to Authorized Claimants on a *pro rata* basis based on the relative size of their Recognized Claims. Specifically, a “Distribution Amount” will be calculated for each Authorized Claimant, which will be the Authorized Claimant’s Recognized Claim divided by the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund. If any Authorized Claimant’s Distribution Amount calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

74. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund by reason of uncashed checks, or otherwise, nine (9) months after the

⁵ This includes (1) purchases of Textron common stock as the result of the exercise of a call option, and (2) purchases of Textron common stock by the seller of a put option as a result of the buyer of such put option exercising that put option.

initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determines that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$10.00 from such re-distribution. Additional re-distributions may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determines that additional re-distributions, after deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distributions, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance shall be contributed to non-sectarian, not-for-profit organization(s), to be recommended by Plaintiffs' Counsel and approved by the Court.

75. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiff, Lead Counsel, Lead Plaintiff's damages experts, Defendants, Defendants' Counsel, any of the other Plaintiff Releasees or Defendant Releasees, or the Claims Administrator or other agent designated by Lead Counsel arising from distributions made substantially in accordance with the Stipulation, the Plan of Allocation approved by the Court, or further orders of the Court. Lead Plaintiff, Defendants and their respective counsel, and all other Defendant Releasees, shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund; the Plan of Allocation; the determination, administration, calculation, or payment of any Claim Form or nonperformance of the Claims Administrator; the payment or withholding of Taxes or Tax Expenses; or any losses incurred in connection therewith.

WHAT PAYMENT ARE THE ATTORNEYS FOR THE SETTLEMENT CLASS SEEKING? HOW WILL THE LAWYERS BE PAID?

76. Lead Counsel has not received any payment for their services in pursuing claims against the Defendants on behalf of the Settlement Class, nor has Lead Counsel been reimbursed for their out-of-pocket expenses. Before final approval of the Settlement, Lead Counsel will apply to the Court for an award of attorneys' fees from the Settlement Fund in an amount not to exceed 25% of the Settlement Fund. At the same time, Lead Counsel also intends to apply for the reimbursement of Litigation Expenses incurred by Plaintiff's Counsel in an amount not to exceed \$125,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiff directly related to its representation of the Settlement Class. The Court will determine the amount of any award of attorneys' fees or reimbursement of Litigation Expenses. Such sums as may be approved by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses.

WHAT IF I DO NOT WANT TO BE A MEMBER OF THE SETTLEMENT CLASS? HOW DO I EXCLUDE MYSELF?

77. Each Settlement Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written request for exclusion addressed to: Textron Securities Litigation, c/o A.B.Data, Ltd., P.O. Box 173001, Milwaukee, WI 53217. The request for exclusion must be received no later than _____, 2022. You will not be able to exclude yourself from the Settlement Class after that date.

78. Each request for exclusion must: (i) state the name, address, and telephone number of the person or entity requesting exclusion, and in the case of entities, the name and telephone number of the appropriate contact

person; (ii) state that such person or entity “requests exclusion from the Settlement Class in *In re Textron Inc. Securities Litigation*, Case No. 19-cv-78819-DLC (S.D.N.Y.)”; (iii) state the number of shares of Textron common stock that the person or entity requesting exclusion purchased and/or sold during the Class Period, as well as the dates, number of shares, and prices of each such purchase and/or sale; and (iv) be signed by the person or entity requesting exclusion or an authorized representative.

79. A request for exclusion shall not be valid and effective unless it provides all the information called for in paragraph 61 and is received within the time stated above, or is otherwise accepted by the Court.

80. If you do not want to be part of the Settlement Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Released Plaintiffs’ Claim against any of the Defendants’ Releasees. Excluding yourself from the Settlement Class is the only option that allows you to be part of any other current or future lawsuit against Defendants or any of the other Defendants’ Releasees concerning the Released Plaintiffs’ Claims. Please note, however, if you decide to exclude yourself from the Settlement Class, you may be time-barred from asserting the claims covered by the Action by a statute of repose. In addition, Defendants and the other Defendants’ Releasees will have the right to assert any and all defenses they may have to any claims that you may seek to assert.

81. If you ask to be excluded from the Settlement Class, you will not be eligible to receive any payment out of the Net Settlement Fund.

82. Defendants have the right to terminate the Settlement if valid requests for exclusion are received from persons and entities entitled to be members of the Settlement Class in an amount that exceeds an amount agreed to by Lead Plaintiff and Defendants.

WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT? DO I HAVE TO COME TO THE HEARING? MAY I SPEAK AT THE HEARING IF I DON’T LIKE THE SETTLEMENT?

83. Settlement Class Members do not need to attend the Settlement Fairness Hearing. The Court will consider any submission made in accordance with the provisions below even if a Settlement Class Member does not attend the hearing. You can participate in the Settlement without attending the Settlement Fairness Hearing.

84. The Settlement Fairness Hearing will be held on _____, 2022 at _____ before the Honorable Denise L. Cote, at the United States District Court, Southern District of New York, 500 Pearl St., Courtroom 18B, New York, NY 10007-1312. The Court reserves the right to approve the Settlement, the Plan of Allocation, Lead Counsel’s motion for an award of attorneys’ fees and reimbursement of Litigation Expenses, and/or any other matter related to the Settlement at or after the Settlement Hearing without further notice to the members of the Settlement Class.

85. Any Settlement Class Member who is not requesting exclusion from the Settlement Class may object to the proposed Settlement, the proposed Plan of Allocation, or the motion for an award of attorneys’ fees and reimbursement of Litigation Expenses. You must file any written objection, together with copies of all other papers and briefs supporting the objection, with the Clerk’s Office of the Court at the address set forth below on or before _____, 2022. Settlement Class Members do not need to appear at the hearing or take any other action to indicate their approval.

The documentation submitted must show that the claimed Textron common stock was purchased on the NYSE, on other U.S. exchanges or in a U.S. transaction, or purchased on the NYSE on a “when issued” basis. CASE NO.: 1:19-CV-7881-DLC

[PROPOSED] FINAL JUDGMENT AND ORDER OF DISMISSAL WITH PREJUDICE

WHEREAS this matter came before the Court on the application of Lead Plaintiff for approval of the Settlement set forth in the Stipulation and Agreement of Settlement between the Parties dated June 23, 2022 (“Stipulation”);

WHEREAS, unless otherwise defined in this Judgment, the capitalized terms herein shall have the same meaning as they have in the Stipulation;

WHEREAS, by Order dated _____, 2022 (the “Preliminary Approval Order”), this Court (a) preliminarily approved the Settlement; (b) ordered that notice of the proposed Settlement be provided to potential Settlement Class Members; (c) provided Settlement Class Members the opportunity to opt out of the Settlement Class or object to the proposed Settlement; and (d) scheduled a hearing regarding final approval of the Settlement;

WHEREAS due and adequate notice of the Settlement was provided to the Settlement Class;

WHEREAS, the Court conducted a hearing on _____, 2022 (the “Settlement Fairness Hearing”) to consider, among other things, (a) whether the terms and conditions of the Settlement are fair, reasonable and adequate, and in the best interests of Lead Plaintiff and the other Settlement Class Members, and should therefore be approved; (b) whether the Settlement

Class should be certified, and Lead Plaintiff and Lead Counsel appointed as Settlement Class Representative and Class Counsel, respectively; and (c) whether a judgment should be entered dismissing the Action with prejudice as against the Defendants; and

WHEREAS the Court having reviewed and considered the Stipulation, all papers filed and proceedings held herein in connection with the Settlement, all oral and written comments received regarding the Settlement, and the record in the Action, and good cause appearing therefor;

NOW, IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED:

1. **Jurisdiction.** This Court has jurisdiction over the subject matter of the Action, all matters relating to the Settlement, and over all Parties to the Action, including all Settlement Class Members.

2. **Final Approval of Class Notice and Class Certification.** The Court hereby finds that the distribution of the Notice to all Settlement Class Members who could be identified through reasonable effort, and the publication of the Summary Notice as provided for in the Preliminary Approval Order constituted the best notice practicable under the circumstances of the matters set forth therein, and said notice fully satisfied the requirements of Federal Rule of Civil Procedure 23, the Constitution of the United States (including the requirements of due process), the Securities Exchange Act of 1934, 15 U.S.C. §§ 78 *et seq.*, as amended by the Private Securities Litigation Reform Act of 1995, and any other applicable law.

3. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court hereby grants final certification of the Settlement Class consisting of all persons and entities who purchased or otherwise acquired Textron common stock on the NYSE or other U.S. exchanges or in a U.S. transaction between January 31, 2018 and December 6, 2018, inclusive. Excluded from the Settlement Class are: (i) Defendants; (ii) members of the immediate family of any Defendant who

is an individual; (iii) any person who was an officer or director of Textron during the Class Period; (iv) any firm, trust, corporation, or other entity in which any Defendant has or had a controlling interest; (v) Textron's employee retirement and benefit plan(s) and their participants or beneficiaries, to the extent they made purchases through such plan(s); and (vi) the legal representatives, affiliates, heirs, successors-in-interest, or assigns of any such excluded person. Also excluded from the Settlement Class are those persons who have timely and validly requested exclusion from the Settlement Class pursuant to the Notice sent to potential Settlement Class Members. A list of such persons and entities who filed timely, completed, and valid requests for exclusion from the Settlement Class is attached hereto as Exhibit 1.

4. With respect to the Settlement Class, the Court finds that, for purposes of effectuating the Settlement, the prerequisites for a class action under Rules 23(a) and (b)(3) have been satisfied. The members of the Settlement Class are so numerous that joinder of all Settlement Class Members in the class action is impracticable and there are questions of law and fact common to the Settlement Class which predominate over any individual questions. The claims of Lead Plaintiff are typical of the claims of the Settlement Class and Lead Plaintiff and its counsel have fairly and adequately represented and protected the interests of all Settlement Class Members. A class action is also superior to other available methods for the fair and efficient adjudication of the controversy, considering: (a) the interests of the members of the Settlement Class in individually controlling the prosecution of the separate actions; (b) the extent and nature of any litigation concerning the controversy already commenced by members of the Settlement Class; (c) the desirability or undesirability of continuing the litigation of these claims in this particular forum; and (d) the difficulties likely to be encountered in the management of the class action.

5. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, and for purposes of settlement only, Lead Plaintiff IWA Forest Industry Pension Plan is certified as Settlement Class Representative and Lead Counsel Kaplan Fox & Kilsheimer LLP is appointed as Class Counsel.

6. **Final Approval of Settlement and Dismissal of Claims.** Pursuant to Rule 23(e)(2) of the Federal Rules of Civil Procedure, this Court hereby approves the Settlement and finds that said Settlement is, in all respects, fair, reasonable, adequate to, and in the best interests of Lead Plaintiff, the Settlement Class, and each of the Settlement Class Members having considered and found that: (a) Lead Plaintiff and Lead Counsel have adequately represented the Settlement Class; (b) the proposal was negotiated at arm's length; (c) the relief provided for the Settlement Class is adequate, having taken into account (i) the costs, risks, and delay of trial and appeal; (ii) the effectiveness of the proposed method of distributing relief to the Settlement Class, including the method of processing Settlement Class Member claims; (iii) the terms of the proposed award of attorneys' fees, including timing of payment; and (iv) any agreement required to be identified under Rule 23(e)(3); and (d) the proposal treats Settlement Class Members equitably relative to each other. All objections to the proposed Settlement, if any, are overruled in their entirety. Accordingly, the Settlement is hereby approved in all respects and shall be consummated in accordance with its terms and provisions. The Parties are hereby directed to perform the terms of the Stipulation.

7. Except as to any individual claim of those persons who have validly and timely requested exclusion from the Settlement Class, the Action and all claims contained therein, as well as all of the Released Claims, are dismissed with prejudice as against each and all of the Releasees. Lead Plaintiff and the Settlement Class will not make applications against any Defendants or other Defendant Releasees and Defendants will not make applications against Lead Plaintiff, the

Settlement Class, and the other Plaintiff Releasees for fees, costs, or sanctions pursuant to Rule 11, Rule 37, Rule 45 or any other court rule or statute, with respect to any claims or defenses in this Action or to any aspect of the institution, prosecution, or defense of this Action. The Parties are to bear their own costs, except as provided in the Settlement and herein.

8. Neither the Plan of Allocation submitted by Lead Plaintiff nor any portion of this Order regarding the Plan of Allocation or the application for attorneys' fees and Litigation Expense reimbursement shall in any way disturb or affect the finality of any other portion of this Judgment, nor delay the Effective Date of the Stipulation, and each shall be considered separate for the purposes of appellate review of this Judgment.

9. **Binding Effect.** The terms of the Stipulation and of this Judgment shall be forever binding on the Defendants, Lead Plaintiff and all other Settlement Class Members (regardless of whether or not any individual Settlement Class Member submits a Claim Form or seeks or obtains a distribution from the Net Settlement Fund), as well as their respective heirs, executors, administrators, predecessors, successors, and assigns.

10. **Releases.** The releases as set forth in paragraphs 5 and 6 of the Stipulation, together with the definitions contained in paragraph 1 of the Stipulation relating thereto, are expressly incorporated herein in all respects. Accordingly, this Court orders that:

(a) Without further action by anyone, and subject to paragraphs 11 and 12 below, upon the Effective Date of the Settlement, Lead Plaintiff and each of the other Settlement Class Members, on behalf of themselves, their respective heirs, executors, administrators, predecessors, successors and assigns in their capacities as such, shall be deemed to have, and by operation of law and of this Judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived, discharged and dismissed each and every Released

Plaintiff's Claim against the Defendant Releasees, and shall forever be barred and enjoined from commencing, instituting, intervening in or participating in, prosecuting or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal, or administrative forum, or other forum of any kind or character (whether brought directly, in a representative capacity, derivatively, or in any other capacity), that asserts any or all of the Released Plaintiff's Claims against any of the Defendant Releasees. This Release shall not apply to any person who has submitted a request for exclusion from the Settlement Class that has been accepted by the Court, as set forth on Exhibit 1 hereto.

(b) Without further action by anyone, and subject to paragraphs 11 and 12 below, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by operation of law and of this Judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived and discharged each and every Released Defendants' Claims against the Plaintiff Releasees, and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants' Claims against any of the Plaintiff Releasees. This Release shall not apply to any person who has submitted a request for exclusion from the Settlement Class that has been accepted by the Court, as set forth on Exhibit 1 hereto.

11. Notwithstanding paragraphs 10(a) – (b) above, nothing in this Judgment shall bar any action by any of the Parties to enforce or effectuate the terms of the Stipulation or this Judgment.

12. Notwithstanding paragraphs 10(a) – (b) above, nothing in this Judgment shall release any of the claims expressly excluded from the definition of Released Plaintiffs’ Claims at paragraph 1(ii) of the Stipulation.

13. **No Admissions.** Neither the Stipulation, including the exhibits thereto and the Plan of Allocation (or any other plan of allocation that may be approved by the Court) and Settlement contained therein, the negotiations leading to the execution of the Stipulation, nor any proceedings taken pursuant to or in connection with the Stipulation and/or approval of the Settlement (including any arguments proffered in connection therewith):

(a) shall be (i) offered against any of the Defendant Releasees as evidence of, or construed as, or deemed to be evidence of any presumption, concession, or admission by any of the Defendant Releasees with respect to the truth of any fact alleged by Lead Plaintiff or the validity of any claim that was or could have been asserted or the deficiency of any defense that has been or could have been asserted in this Action or in any other litigation, or of any liability, negligence, fault, or other wrongdoing of any kind of any of the Defendant Releasees or in any way referred to for any other reason as against any of the Defendant Releasees, in any civil, criminal or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation; (ii) offered or received against any Defendant as evidence of or construed as or deemed to be evidence of any presumption, concession or admission by any Defendant that any damages were suffered by Plaintiff or the Settlement Class, or anyone else; (iii) offered or received against any Defendant as evidence of a presumption, concession, admission of any fault, misrepresentation, or omission with respect to any statement or written document approved or made by any Defendant; (iv) offered or received against any Defendant as evidence of a presumption, concession, or admission of any liability, negligence fault or

wrongdoing, or in any way referred to for any other reason as against any of the Parties to this Stipulation, in any other civil, criminal, or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provision of this Stipulation; provided, however, that if this Stipulation is approved by the Court, the Parties may refer to it to effectuate the releases granted to them hereunder; or (v) construed against Defendants, Plaintiff or the Settlement Class as an admission or concession that the consideration to be given hereunder represents the amount which could be or would have been recovered after trial;

(b) shall be offered against any of the Plaintiff Releasees, as evidence of, or construed as, or deemed to be evidence of any presumption, concession or admission by any of the Plaintiff Releasees that any of their claims are without merit, that any of the Defendant Releasees had meritorious defenses, that damages recoverable under the Complaint would not have exceeded the Settlement Amount, or with respect to any liability, negligence, fault or wrongdoing of any kind, or in any way referred to for any other reason as against any of the Plaintiff Releasees, in any civil, criminal or administrative action or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation; or

(c) shall be construed against any of the Releasees as an admission, concession, or presumption that the consideration to be given hereunder represents the amount which could be or would have been recovered after trial; *provided, however*, that the Parties and the Releasees and their respective counsel may refer to the Stipulation to effectuate the protections from liability granted thereunder or otherwise to enforce the terms of the Settlement.

14. Any Released Person may file the Stipulation and/or the Order and Final Judgment in any other action or other proceeding that may be brought against them in order to support a defense, argument, or counterclaim based on principles of *res judicata*, collateral estoppel, release,

good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense, argument, or counterclaim.

15. **Plan of Allocation.** Pursuant to and in full compliance with Rule 23 of the Federal Rules of Civil Procedure, the Court finds and concludes that due and adequate notice was directed to all Settlement Class Members advising them of the Plan of Allocation and of their right to object, and a full and fair opportunity was given to all Settlement Class Members to be heard with respect to the Plan of Allocation. The Court finds that the formula for the calculation of the claims of Authorized Claimants, which is set forth in the Notice sent to Settlement Class Members, provides a fair and reasonable basis upon which to allocate among Settlement Class Members the proceeds of the Settlement Fund established by the Stipulation, with due consideration having been given to administrative convenience and necessity. The Court hereby finds and concludes that the Plan of Allocation set forth in the Notice is in all respects fair and reasonable and the Court hereby approves the Plan of Allocation.

16. After completion of the processing of all claims by the Claims Administrator, the Escrow Agent shall disburse the Net Settlement Fund in accordance with the Stipulation and Plan of Allocation.

17. **Attorneys' Fees and Litigation Expenses.** Pursuant to and in full compliance with Rule 23 of the Federal Rules of Civil Procedure, the Court finds and concludes that due and adequate notice was directed to all Settlement Class Members advising them: (a) that Lead Counsel would seek an award of attorneys' fees of up to 25% of the Settlement Fund and reimbursement of Litigation Expenses incurred in connection with the prosecution of the Action not to exceed \$125,000; and (b) that Settlement Class Members had a right to object to such application(s). A full and fair opportunity was given to all persons who are Settlement Class Members to be heard

with respect to the application for the award of attorneys' fees and expenses. The Court finds and concludes that the requested fee award is reasonable and awards attorneys' fees of ____% percent of the Settlement Fund, plus reimbursement of Litigation Expenses totaling \$_____, which includes the reimbursement of Lead Plaintiff's costs and expenses of \$_____. These amounts are to be paid from the Settlement Fund pursuant to the terms of the Stipulation.

18. **Retention of Jurisdiction.** Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of this Settlement; (b) disposition of the Settlement Fund; (c) hearing and determining applications for attorneys' fees, Litigation Expenses, and interest in the Action; and (d) all Parties hereto for the purpose of construing, enforcing, and administering the Stipulation and this Judgment.

19. **Rule 11 Findings.** The Court finds that during the course of the Action, the Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11.

20. **Termination.** If the Effective Date does not occur or the Settlement is terminated as provided in the Stipulation, then this Judgment (and any orders of the Court relating to the Settlement) shall be vacated, rendered null and void and be of no further force or effect, except as otherwise provided by the Stipulation.

21. **Extensions By Agreement.** Without further order of the Court, the Parties may agree to reasonable extensions of time to carry out any of the provisions of the Stipulation.

22. **Entry of Final Judgment and Dismissal.** The Court hereby dismisses with prejudice this Action in its entirety and all Released Claims against each and all Released Persons without costs as to any of the Settling Parties as against the others. As there is no just reason for

delay in the entry of this Judgment, immediate entry by the Clerk of the Court is expressly directed pursuant to Rule 54(b) of the Federal Rules of Civil Procedure.

IT IS SO ORDERED.

DATED:
